

TOPF'S LIST OF ASSET CATEGORIES

1. CSAs (the annual atlas should make that easy)
2. artisanal cheese, meat, beer, bakery, fermented foods, condiments, coffee, tea, soft drink, yogurt, butter, maple syrup, honey producers/makers/brewers within 75 miles of Madison
3. food coops within 75 miles of madison (producers, wholesale, retail)
4. growers of specialty crops, livestock (figs, persimmons, Highland cattle as examples) within 75 miles of Madison
5. aquaculturists and commercial fishermen (because commercial fishing occurs on the Mississippi River and Lakes Superior and Michigan, 75 miles doesn't apply here)
6. local food researchers and advocates, especially those connected with community colleges or UW colleges or universities in southern Wisconsin
7. farmers' markets located in Dane County
