Project Engineer	Jim Wolfe 266-4099	
Project Limits	King Street	From S. Webster to S. Pinckney
Alder: Verveer	E. Main Street	From S. Webster to King
	Pinckney St.	From E. Doty to King
Street	Eviating	Drenegad
Street Project Type: Street reconstruction (Existing on King & Main, sidewalk replacement or	Proposed
Last Surfaced		
	1996 (King); 1962 (Main)	
Pavement Rating	4 (King); 5 (Main)	
Curb Rating	5 (King); 7 (Main)	
Width	41' (King); 40' (Main)	38' (King); 30' (Main); w/ bumpouts
Surface Type	Asphalt over concrete	Asphalt
Sidewalk		
Work Required: Replace existing sic		
Widen mainline sidewalk & terrace of	on south side of E. Main Street; widen te	rraces on King St
Storm Sewer		
	ary & install inlets for private connections	3
Size	18"	12" & 18"
Material	Concrete	Concrete
Year	1977	2014
Sanitary Sewer	le and atmenture -	
Work Required: Replace pipe, latera		
Size	6" (King); 8" (Main)	8"
Material	VP (Clay)	PVC
Year	1906 (King); 1910 (Main)	2014
Water Main	Existing	Proposed
Work Required: Abandon existing &		
Size	8" (King); 4" (Main)	8"
Material	Cast Iron	Ductile Iron
Veer	1882	2014
Year		
Parking		angled on Main
Parking Existing Parking Conditions: Multi-sp	pace metered Parking - parallel on King,	
Parking Existing Parking Conditions: Multi-sp	pace metered Parking - parallel on King, I on both; remove 8 stalls on Main (narro	
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals	bace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing	bw street), remove 3 of King (bumpout) Proposed
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting	pace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles	bw street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals	bace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing	bw street), remove 3 of King (bumpout) Proposed
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting Signals	pace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles	bw street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting Signals Trees	bace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles At King/Main/Pinckney Intrsection	ow street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights Replace existing signal
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting Signals Trees All existing trees on Main are green	pace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles	bw street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights Replace existing signal d future constr, allow for wide sw, etc.)
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting Signals Trees All existing trees on Main are green Remove & replant 2 trees at 112 Kir	bace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles At King/Main/Pinckney Intrsection ash, remove all & replant in grates (avoi	bw street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights Replace existing signal d future constr, allow for wide sw, etc.)
Parking Existing Parking Conditions: Multi-sp Proposed Parking: Metered - paralle Street Lighting & Signals Street Lighting Signals Trees All existing trees on Main are green Remove & replant 2 trees at 112 Kir Cost	bace metered Parking - parallel on King, el on both; remove 8 stalls on Main (narro Existing On black Steel poles At King/Main/Pinckney Intrsection ash, remove all & replant in grates (avoing; replace all 5x5 grates on King & Pinc	bw street), remove 3 of King (bumpout) Proposed New ped lights; replace area lights Replace existing signal d future constr, allow for wide sw, etc.)
