Hello,

Attached please find a Heritage Tree Nomination for a huge bur oak - 12' 7" in circumference, and estimated at 300 years old - located at 40 N. Roby Rd., located in the historic University Heights neighborhood. The tree is right in front of the home owned, at one time, by Dr. Van Vleck, a Nobel price winner in physics in 1977.

Please let me know if you have questions or would like any additional information.

Many thanks.

Warm regards,
Matt

Daytime Phone: [REDACTED]

Email: [REDACTED]

Heritage Tree Nomination Information

**Please indicate if this nomination is for an individual tree or a group of trees. Use a separate page for each tree or one page for a group nomination.*

Location of the tree in Madison (Give the address and nearest cross streets):

(If possible please attach a photo of the tree and a map showing the tree on the site. Indicate which direction is North.)

40 N. Roby Rd.
Madison, WI 53726

Measured or Approximate size (Circumference of trunk at 4.5 feet above ground):

151" (12 feet, 7 inches)

Approximate Height:

80' 300+ years old.

Tree Species/Common Name (If Known):

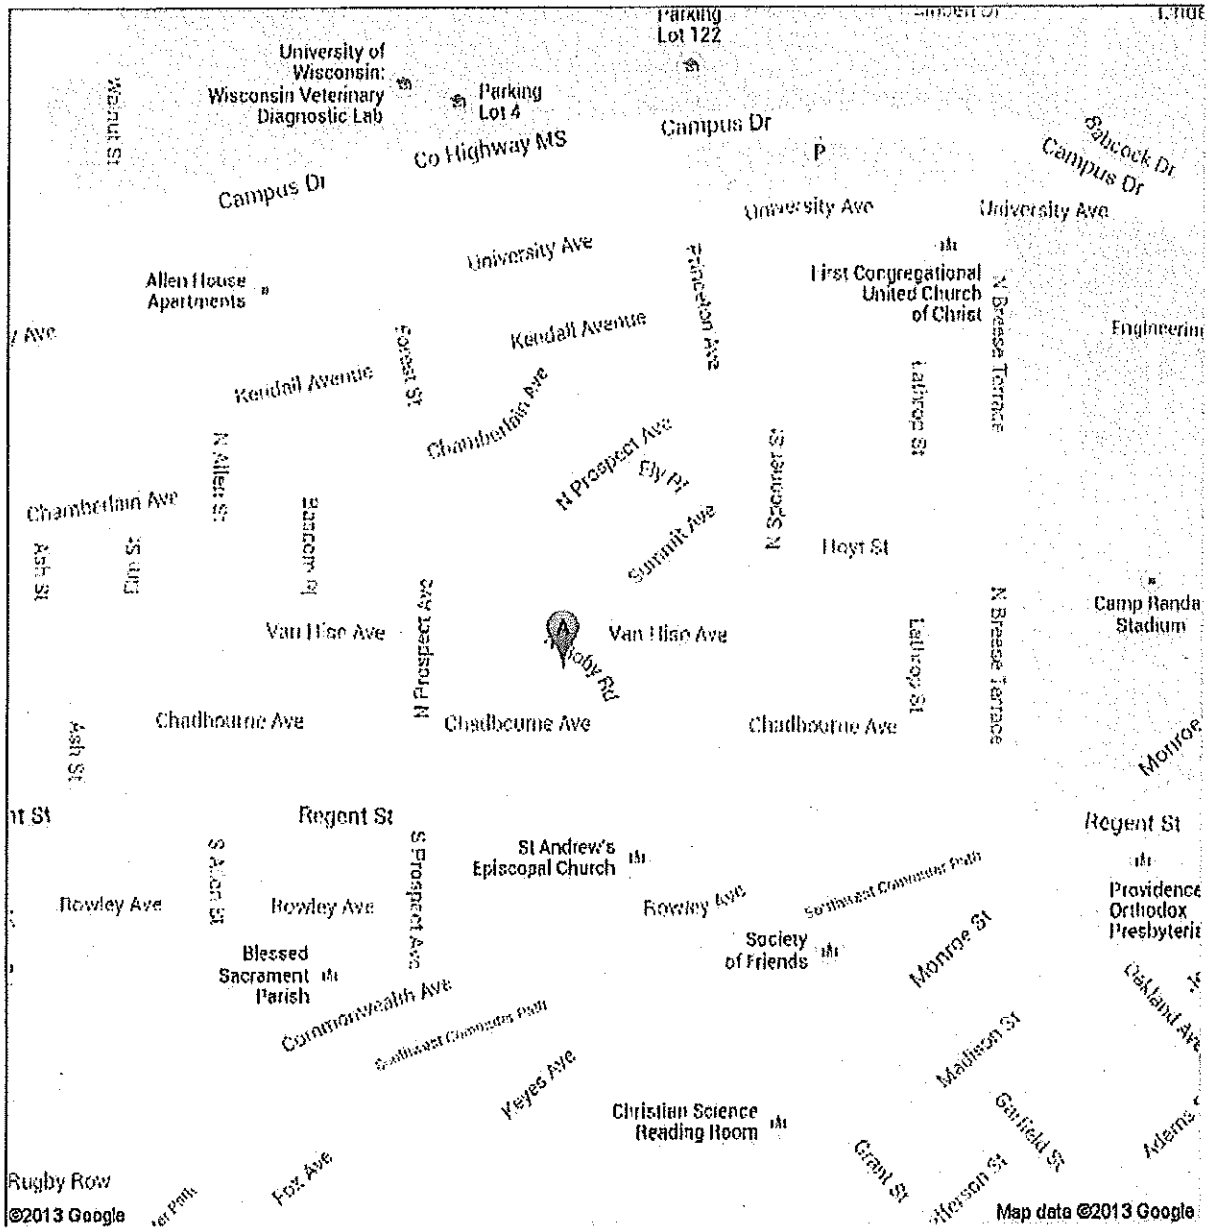

Bur Oak

Why is this tree special? (Please use additional sheet if needed)

Excellent old growth specimen in University Heights, a historic neighborhood, right in front of Dr. Van Vleck's old home at 40 N. Roby Rd. Dr. Van Vleck won the Nobel Prize in Physics in 1927, and his name adorns UW-Madison's Math department building.

Nominating a tree provides recognition of a tree's intrinsic worth and value to the community.
