

The City of Madison invites you to a **Public Workshop** for the

Sustainable Madison Transportation Master Plan

December 19, 2013 / 5:30 - 7:30 pm

Madison Senior Center

Lower Level Dining Room/Lounge
330 West Mifflin Street, Madison

The City of Madison is starting its Sustainable Madison Transportation Master Plan in order to plan for the future of transportation in Madison. This is your opportunity to be an integral part of the planning process from the very beginning.

The purpose of the public workshop is to:

- Hold an interactive mapping activity so you can map and describe your concerns and ideas about all transportation modes in all parts of Madison
- Provide an opportunity for you to help shape the goals of the Sustainable Madison Transportation Master Plan
- Present the key transportation trends and challenges facing Madison and the greater region

The evening's schedule:

- **6:00 p.m.** – presentation on transportation trends and challenges, followed by a question and answer period
- **6:30 p.m.** – interactive mapping activity and your input on the mission and goals of the Sustainable Madison Transportation Master Plan

Please contact David Trowbridge, Planning Division, with questions:
