Alder Verveer,

I wanted to share the letter of support I received from the TLNA with regards to attaining our liquor license. I was wondering if there was a general place that this message could be sent for the ALRC to review before we are asked to go before them next week?

Best,

To Whom it May Concern:

The Tenney-Lapham Neighborhood Association (TLNA) voted unanimously at its Feb. 13, 2014, meeting to support the restaurant planned in the Constellation, 10 N. Livingston Street, by the owners of L'Etoile and Graze restaurants. We are thrilled and excited that restaurateurs with such a great reputation and quality operation are coming to the 700 block of E. Washington Avenue.

Our support includes a full liquor license and whatever configuration of outdoor seating best meets their needs. Please let me know if you have any further questions or concerns.

Sincerely,

Joe Lusson, president
Tenney-Lapham Neighborhood Association
