RE: La Fete de Marquette Street Use and Parking Restrictions

Food Pantry

After conversations and meetings with area residents as well as District 6 Alderperson, Marsha Rummel we've concluded two street use concerns (if granted) will positively impact the staging of La Fete de Marquette, as well as alleviate a concern for residents residing on the 300 block of South Few Street.

Information &
Referral Service

THE FIRST CONCERN—

Closing S. Ingersoll between the Rail Tracks—please see map

As Fete de Marquette visitors will be traversing between the two sections of the park, closing this section of Ingersoll is requested. The closing would begin on Thursday morning (8:00 am) July 10 and reopen to traffic on Monday morning (11:00 am) July 14.

Saturday
Community
Meals

Senior Nutrition
& Recreation

THE SECOND CONCERN—

No Parking at all Times—300 Block of South Few between E. Wilson and Williamson St

On the block listed there are 6 residences; each of which can conveniently park their vehicles off-street. To minimize concerns residents of these homes have for Fete visitors blocking access to their driveways, as well as the opening and closing cars doors, we propose posting no parking signs for the duration of the event on this block. We will monitor this restriction very closely and look for strict enforcement.

2014 LA FETE DE MARQUETTE—PERMIT ANCILLARY INFORMATION:

Safety and Security Plan:

We retain both public (off-duty officers) and private security staff. At all times a minimum combined 4 uniformed security staffs are on-site. In addition, our La Fete committee consists of over 50 community members and most are experienced with previous events. Most security matters are addressed by these community members. Finally, an ETM is on-site at all times.

Notification Schedule:

The area alder, businesses and the few residents in the immediate site of the event have been informed of the upcoming event. Indeed, we have convened two general meetings with area residents, Alderperson Marsha Rummel has convened her own meeting and we have ventured out door-to-door in the area on two separate occasions to gather application supporting signatures. Signatures and leaflets are attached.

Recycling Plan

We have recycled at the Fete since inception in 2006. We maintain clearly labeled waste and recycling containers on the grounds. In addition, in 2013 and on the first night of the Fete, we implemented on a trial basis strategies for a zero-waste event. Our efforts were mostly successful and in 2014 we look to expand the effort to include all four days.
