We will advise the Plan Commission to refer this item to their May 12 meeting, at your request.  
Thanks.

Dear Kevin,

We respectfully request a delay to our scheduled appearance at this evening's Planning Commission meeting, as we are waiting for further information from city departments that could impact our project.

We ask to be moved to the next scheduled meeting, which we believe is in 2 weeks time.

We appreciate your favorable consideration of our request.

Sincerely,

Kim Santiago  
Jose Madera
