Subject: Agenda Items 33594 & 33983 - Plan Commission Meeting

Dear Ruth,

Please pass this memo on to Plan Commission members for tonight's meeting.

I am writing in support of the above agenda items. Dan Swift of American Family and I have discussed the proposed project and I have no concerns or issues. Future results and data from this research facility will have far reaching benefits for consumers.

Please support the requested Amended General Development Plan and conditional use for this project. If anyone has any questions, feel free to contact me.

Sincerely,

Joe Clausius
