RE: Approval of a conditional use for construction of a detached garage exceeding 800 square feet and with an accessory dwelling unit in the Traditional Residential – Consistent 1 (TR-C1) District.

Dear Mr. Dennis:

At its August 11, 2014 meeting, the Plan Commission found the standards met and **approved** your conditional use request for a new detached garage with an accessory dwelling unit at 220 North Meadow Lane, subject to the conditions below. In order to receive final approval of the conditional use, and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact Janet Schmidt of the City Engineering Division at 261-9688 if you have questions regarding the following 13 items:

1. Show, dimension and label the 5' wide Utility Easement along the rear of the lot as per the plat of First Addition to Midvale Terrace.
2. The lot depth for Lot 45 is 100 feet, not 99 feet as shown on the site plat. This shall be corrected on the final plans.
3. The address of the ADU is 222 N Meadow Ln.
4. This area is subject to flooding. Applicant shall keep the entrance to the garage a minimum of 2-feet above the adjacent top of curb (existing) at the driveway.
5. Applicant shall provide a separate lateral for the separate dwelling or an ownership/maintenance agreement for the lateral if the new building connects to the existing building's plumbing.
6. The site plan shall identify lot and block numbers of recorded Certified Survey Map or Plat.
7. The site plan shall include a full and complete legal description of the site or property being subjected to this application.
8. The Applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction (POLICY).
9. All work in the public right-of-way shall be performed by a City licensed contractor (MGO 16.23(9)(c)5) and MGO 23.01).

10. All damage to the pavement on Meadow Lane adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY).
11. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement (POLICY).
12. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set (POLICY and MGO 37.09(2)).

PDF submittals shall contain the following information:
 - a) Building footprints
 - b) Internal walkway areas
 - c) Internal site parking areas
 - d) Lot lines and right-of-way lines
 - e) Street names
 - f) Stormwater Management Facilities
 - g) Detail drawings associated with Stormwater Mgmt Facilities (including if applicable planting plans)
13. The site plan shall be revised to show all existing public sanitary sewer facilities in the project area as well as the size, invert elevation, and alignment of the proposed service (POLICY).

Please contact Pat Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following 4 items:

14. The placement of the accessory building appears to be about 6" too far forward, resulting in a required 7' side setback. There is room to shift the building slightly to the rear (about 6") which would then allow a 3' side yard setback.
15. Proposed accessory building shall meet all building codes as well as accessory dwelling unit complying with supplemental regulations of 28.151 MGO.
16. The number of occupants of the accessory dwelling unit shall not exceed one (1) family or two (2) unrelated individuals.
17. Provide detailed building elevations on final plan sets, including the height to the peak of the accessory building on all four elevations.

Please contact Kay Rutledge of the Parks Division at 266-4714 if you have any questions regarding the following 2 items:

18. Park impact fees (comprised of the Park Development Impact Fee per MGO Sec. 20.08(2) and the Parkland Impact Fee in lieu of land dedication per MGO Sec. 16.23(8)(f) and 20.08(6)) will be required for all new residential development. The developer must select a method for payment of park fees before signoff on the conditional use. This development is within the Garner park impact fee district (SI29). Please reference ID#14142 when contacting Parks about this project.

Fees in lieu of dedication =	1	SF	@	\$2,827.00	=	\$2,827.00
Park development fees =	1	SF	@	\$1,031.27	=	\$1,031.27
						<hr/>
					Total Fees	\$3,858.27

19. Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right-of-way. Permission for such activities must be obtained from the City Forester, 266-4816.

Please contact Bill Sullivan of the Madison Fire Department at 261-9658 if you have any questions regarding the following 2 items:

20. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: <http://www.homefiresprinkler.org/Consumer/ConsHome.html>.

Please contact Dennis Cawley of the Water Utility at 266-4651 if you have any questions regarding the following item:

21. This property is not located in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. No building permits shall be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining your conditional use permit:

1. Please revise the plans per the above conditions and file **eight (8)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP
Planner

cc: Janet Schmidt, City Engineering Division
Jeff Quamme, City Engineering Division
Pat Anderson, Asst. Zoning Administrator
Bill Sullivan, Fire Department
Kay Rutledge, Parks Division

<p>I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use permit.</p> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 5px;"/> <p style="text-align: center;"><i>Signature of Applicant</i></p> <hr style="border: 0; border-top: 1px solid black; margin-bottom: 5px;"/> <p style="text-align: center;"><i>Signature of Property Owner, if not Applicant</i></p>
