**Subject:** Pahl Tire Proposal before the UDC meeting of August 20, 2014

Ledell: I won't be able to attend the UDC meeting of August 20, 2014 but would like to express my full support for the statement on the proposal, as it now stands, prepared by Bill Gates. I say, in support of Bill's work on the proposal, there are still so many items that need to be reviewed and accurately presented that have not yet been covered by the developer and staff.
