Re: Salvatore's Tomato Pies

Members of the Alcohol License Review Committee,

Patrick Depula, agent for Salvatore's Tomato Pies appeared before the Tenney Lapham Neighborhood Association Council last Thursday, November 13 to request our support for an alcohol license. There were a few questions about the nature of alcohol that he is planning to serve and the hours that he plans to be open. The TLNA Council voted unanimously to support his request. Salvatore's Tomato Pies is a great fit for our neighborhood and we look forward to seeing the restaurant opening soon.

Please grant Patrick Depula's request for a license.

Best regards,
