

Board of Health for Madison and Dane County
Resolution # 2014-10

2015 Public Health Grants and Contracts

Public Health-Madison and Dane County (PHMDC) has many grants and contracts whereby it receives funds to support public health services. The grants included in this resolution are continuations of grants from previous years; they have been reviewed and approved by the Dane County Board of Supervisors and the City of Madison Common Council in previous funding cycles. Under the terms of the merger agreement, the Board of Health for Madison and Dane County may accept continuation grants with the approval of the Board of Health for Madison and Dane County (IGA, VIII, F, 1-3).

NOW THEREFORE BE IT RESOLVED, that the Board of Health for Madison on behalf of Public Health—Madison and Dane County authorizes the Director of Public Health, or his/her designee, to sign the following contracts and agreements that are anticipated in the 2015 Public Health Operating Budget:

Grants:

- Consolidated Contract (Division of Public Health of the Wisconsin Department of Health Services) with grants for the following:
 - (1) HUD Lead Hazard Reduction Demonstration
 - (2) Radon Regional Information Center
 - (3) Immunizations
 - (4) Maternal Child Health
 - (5) Wisconsin Well Woman Program to promote breast and cervical cancer screening among residents of Dane and Rock Counties with no health coverage;
 - (6) Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Program to safeguard the health of low-income women, infants, and children up to age five who are at nutritional risk by nutritious food to supplement diets, information on healthy eating, and referrals to health care;
 - (7) Tobacco Prevention and Control (Education)—tobacco education
 - (8) Tobacco Prevention and Control Compliance (WI WINS)—funding compliance checks of vendors that sell tobacco products
- Prevention Health and Human Services Block Grant (Division of Public Health of the Wisconsin Department of Health Services)
- Public Health Emergency Preparedness (Division of Public Health of the Wisconsin Department of Health Services) for emergency preparedness planning;
- HIV Prevention and Linkages to Care and HIV Prevention Targeted (Division of Public Health of the Wisconsin Department of Health Services) for counseling and partner referral services
- Treatment Access Fund (Susan G. Komen for the Cure, South Central Wisconsin) for breast and cervical cancer screening and support services;

Agent Agreements:

- Transient Non-Community Public Water Systems (Wisconsin Department of Natural Resources) to test private water systems;
- Retail Food Establishment Licensing (Wisconsin Department of Agriculture, Trade, and Consumer Protection) to administer a retail food establishment licensing program;
- Inspection of Manufactured Homes (Wisconsin Department of Commerce) to inspect each manufactured home community in Dane County for the enforcement of state sanitary regulations; and
- Lodging and Pools (Wisconsin Department of Health Services) to issue permits, inspect and regulate restaurants, campgrounds, recreational educational camps, public swimming pools, hotels, motels, tourist rooming houses and bed and breakfast establishments, and inspect vending machines.

Other:

- Tuberculosis (TB) Dispensary (Division of Public Health of the Wisconsin Department of Health Services) to reimburse local providers for TB services when clients have no health coverage;
- West Nile Virus Partner Agreements (local municipalities and governmental agencies) for mosquito surveillance and control;
- Wisconsin Fund (Wisconsin Department of Natural Resources) for the replacement of septic systems;
- Wisconsin Partnership Program
 - (1) Healthy Birth Outcomes
 - (2) Applying Clinical Data to New Public Health: A Model for Accountable Care Communities
