Pursuant to section 62.09(8)(c) and section 3.03(2), MGO, I return to you Legistar Item, 37018, Amending Section 39.03 of the Madison General Ordinances to add homelessness as a protected class, which I have vetoed and disapproved.

This matter has a number of administrative challenges not limited to, but including:

- Not properly noticed and prepared for Legistar,
- A greater need to assess the staffing costs to the Department of Civil Rights in the fiscal note,
- The impact on existing protected classes by the dilution of the impact on protecting a class where the nature of the classification is not always continuous.

A handwritten signature in black ink that reads "Paul R. Soglin".
