

Dear Alder Sara: I'm writing to express my support for Nate's Rockhound Brewing Co. I've known Nate since 2008 when I moved to this neighborhood. Nate is strongly invested in this neighborhood and very knowledgeable. It was evident when he answered the questions last night that he has carefully thought out the impacts his business may have on local neighbors and is prepared to address them. During the meeting, I noted that at several points, his responses provoked a thumbs up signal from some attendees. He will be a fine addition to Madison's business community.

Thank you for hosting the meeting.
