Dear Urban Design Commission,

We at HPC I, LLC (High Point Commons), in accordance with the sign control ordinance section 31.14(3)(g)2, are seeking the permission of the commission to replace our existing signs which are 34.875 sqft with new signs that are 27.36 sqft. At the same time we will be removing two additional signs from our property reducing the total signage from roughly 130 sqft to 82.08 sqft.

For your review we are submitting the design for the new signs as well as pictures of the signs being replaced. Also included is a sitemap that shows where the signs that are being replaced, marked with an R, and the signs being removed, marked with an X, are located. The signs we are replacing fall 20 (7756), 21 (7549), and 26 (7502) feet from the street. We plan on redoing the beds around the signs and have also included a drawing for the beds.

We appreciate your time and consideration as we update and modernize our property to offer first class accommodations at a reasonable price.

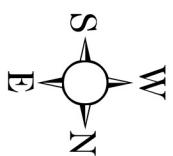

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Jones".
