FYI--For ALRC members.

Matt--FYI If approved, changes to Conditional Use and I think you have previous issues with this location.

Subject: Blair St. BBQ Entertainment License

Members of the ALRC, Alder Rummel and Capt. Gloede,

Neighbors met on 7/1 with Cliff Fisher regarding Blair Street BBQ's application for an entertainment license. We support his application given the license includes the conditions below.

1. Indoor entertainment will be restricted to Thursdays through Saturdays and will end by midnight. Entertainment will be limited to Jazz/Blues music.
2. Outdoor entertainment will be restricted to four events per year and will end by 11 PM. Events will be limited to fundraising for charities.

Our understanding is that the second sentence in each condition above might not be able to be included in the license, but these are the terms to which Mr. Fisher agreed at our meeting with him. He also agreed to respond immediately to any future neighborhood concerns regarding entertainment at this location. Mr Fisher has a good track record with our neighborhood regarding other establishments he is associated with on E. Main St. so we hope that you will be able to grant a license with these conditions.

Thank you,
Jim Skrentny
