Request for easement for telephone equip. bldg. on City greenway. Sent copy of request to Mike Dailey for preliminary approval and comment. Awaiting response.	4/11/1999		REHJF
Commission on Environment would not allow the proposed building to be placed on greenway, but is agreeable to 2 small cabinets. Reso. will be introduced on 5/18/99. Easement drafted and sent to applicant for review.	5/10/1999		REHJF
Resolution introduced on 5/18/99; anticipated adoption date is 6/15/99. Easement has been drafted and approved by Applicant and Mike Dailey. Holding in file until Resolution passes.	6/10/1999		REHJF
Resolution adopted on 6/15/99; however, Mike Dailey requested that we hold-off on recording. Applicant may obtain site from developer for placement of equipment building in which event it would not need this easement. I will check on status in 2-3 weeks.	6/28/1999	6/28/1999	REHJF
Reso. adopted on 6/15/99. Holding easement in file per Mike Dailey's instructions because it may be unnecessary - possibility that applicant will construct equipment building on other lands.	7/2/1999		REHJF
Easement signed and delivered to applicant. Project closed.	9/10/1999		REHJF
Clerk memo sent on 11/9/99 (copy of easement only).	11/8/1999	11/8/1999	REHJF
