

Great Midwest Marijuana Harvest Festival 10/3-4, 2015 Site Map and Emergency Plan

-We are accepting vendors up until the day of event, and will not have a vendor total until that point.

Vendors will not allow any items to spill over into the 8' accessway behind booth spaces.

No event-based food or beverage sales. We have left space at Lake Street end of mall that could accommodate City-certified food carts. We would very much like input as to which food carts are permitted; we would like to accommodate a wide range of diets.

-We are staging on a flatbed trailer; we are considering two choices but neither would require more than a 30'x20' space. We would prefer to leave it in place overnight 10/3-4 and plan on 3-5 people as overnight security/safety monitors. We would like to place a camper van behind the stage for this use, and also as a windbreak as the trailer is unsided.

_An 8' walkway on either side of permitted area is maintained at all times; emergency access over 20' wide on either side of the stage enters central area with over 50' of clear space down to Lake Street.

GMMHF maintains several first aid kits which are on site. Several members are healthcare professionals and assist when required. In case of serious accident or injury we call 911.

In the event of weather emergency, we are in the fortunate position of close access to several storm shelters, including Memorial Library, Red Gym, UWB, and Pres House.

-We have acquired several safety vests for 'crowd marshals' to assist at intersections during the parade up State Street on 10/4. We are also planning to use wide banners carried at chest or waist height at intervals through the crowd and think this will greatly help in keeping the parade compact and more management. We are also increasing the number of GMMHFers at the rear of the crowd who encourage stragglers to speed up.

STREET USE PERMIT APPLICATION – COMPLETE EVENT SCHEDULE

The schedule begins when event set-up starts, including set-up on sidewalks, terraces or parking and ends when the street is re-opened for normal use. The schedule should encompass all activities planned for the event, such as:

- Vending – Food, Beverages and/or Merchandise
- Music/Performances (may require Amplification Permit, see below)
- Displays, Exhibits, Demonstrations
- A moving event such as a Rally, Parade, etc.

EVENTS WITH AMPLIFICATION

If your event is to have sound amplification, include the time of amplification in your event schedule. You will also need to complete the Street Use Amplification Permit Application.

By Ordinance, public amplification is not allowed at street use events except with approval of the Street Use Staff Commission. Permission for amplification does not exempt a group from Madison Ordinance noise restrictions.

Sound on at 11 am 10/03 + 10/04
off at 7 pm 10/03 and 6 pm 10/04

PROVIDE DETAILED EVENT SCHEDULE:

10/3/15
9:30 Set up
11:00 Sound on
- Bands
- Speakers
7:00 pm - Sound off
site packed

10/4/15
9 9:30 Set up
