

Local Food Committee Report 12-2-15

The Common Council approved an amendment to the Capital Improvement Plan which moved the relocation of Fleet Services and capital spending on the Public Market into 2017-2018. The Local Food Committee will meet on Thursday, December 3, at 4:30. Committee members will hear reports from two subcommittees, which are making recommendations on the future organizational structure of the Madison Public Market and the Public Market District.
