1. **Project Address:** 1356 MacArthur Rd.
Project Title (if any): Lighthouse Daycare (part of Eagle Harbor Condominium)

2. **This is an application for (Check all that apply to your Land Use Application):**

- Zoning Map Amendment from _____ to _____
- Major Amendment to Approved PD-GDP Zoning Major Amendment to Approved PD-SIP Zoning
- Review of Alteration to Planned Development (By Plan Commission)
- Conditional Use, or Major Alteration to an Approved Conditional Use
- Demolition Permit
- Other Requests: _____

3. **Applicant, Agent & Property Owner Information:**

Applicant Name: Steve Bohlman **Company:** CNEH Condos LLC
Street Address: 1360 MacArthur Rd **City/State:** Madison **Zip:** 53714
Telephone: (608) 228-5710 **Fax:** () **Email:** stevebohlman@yahoo.com

Project Contact Person: Josh Wilcox **Company:** Gary Brink & Associates, Inc.
Street Address: 7780 Elmwood Avenue, Suite 204 **City/State:** Middleton/WI **Zip:** 53562
Telephone: (608) 829-1750 **Fax:** (608) 829-3056 **Email:** josh.wilcox@garybrink.com

Property Owner (if not applicant): Same as above
Street Address: _____ **City/State:** _____ **Zip:** _____

4. **Project Information:**

Provide a brief description of the project and all proposed uses of the site: Condominium Unit 1, located at 1356 MacArthur Rd. is owned by CNEH Condos LLC, and is leased to Lighthouse Daycare. Lighthouse operates a daycare facility. The fenced in area is the daycare's playground.

Development Schedule: Commencement N/A Completion Completed

5. Required Submittal Information

All Land Use applications are required to include the following:

Project Plans Including:*

- Attached • Site Plans (fully dimensioned plans depicting project details including all lot lines and property setbacks to buildings; demolished/proposed/altered buildings; parking stalls, driveways, sidewalks, location of existing/proposed signage; HVAC/Utility location and screening details; useable open space; and other physical improvements on a property)
- N/A • Grading and Utility Plans (existing and proposed)
- N/A • Landscape Plan (including planting schedule depicting species name and planting size)
- N/A • Building Elevation Drawings (fully dimensioned drawings for all building sides, labeling primary exterior materials)
- N/A • Floor Plans (fully dimensioned plans including interior wall and room location)

Provide collated project plan sets as follows:

- **Seven (7) copies** of a full-sized plan set drawn to a scale of 1 inch = 20 feet (folded or rolled and stapled)
- **Twenty Five (25) copies** of the plan set reduced to fit onto 11 X 17-inch paper (folded and stapled)
- **One (1) copy** of the plan set reduced to fit onto 8 ½ X 11-inch paper

* For projects requiring review by the **Urban Design Commission**, provide **Fourteen (14) additional 11x17 copies** of the plan set. In addition to the above information, all plan sets should also include: 1) Colored elevation drawings with shadow lines and a list of exterior building materials/colors; 2) Existing/proposed lighting with photometric plan & fixture cutsheet; and 3) Contextual site plan information including photographs and layout of adjacent buildings and structures. The applicant shall bring samples of exterior building materials and color scheme to the Urban Design Commission meeting.

Letter of Intent: Provide one (1) Copy per Plan Set describing this application in detail including, but not limited to:

- | | | |
|---|---|--|
| • Project Team | • Building Square Footage | • Value of Land |
| • Existing Conditions | • Number of Dwelling Units | • Estimated Project Cost |
| • Project Schedule | • Auto and Bike Parking Stalls | • Number of Construction & Full-Time Equivalent Jobs Created |
| • Proposed Uses (and ft ² of each) | • Lot Coverage & Usable Open Space Calculations | • Public Subsidy Requested |
| • Hours of Operation | | |

*See LOI. Some items not included due to the specific nature of the Alteration request, and based on feedback from Staff.

Filing Fee: Refer to the Land Use Application Instructions & Fee Schedule. Make checks payable to: City Treasurer.

Electronic Submittal: All applicants are required to submit copies of all items submitted in hard copy with their application as Adobe Acrobat PDF files on a non-returnable CD to be included with their application materials, or by e-mail to pcapplications@cityofmadison.com.

Additional Information may be required, depending on application. Refer to the Supplemental Submittal Requirements.

6. Applicant Declarations

Pre-application Notification: The Zoning Code requires that the applicant notify the district alder and any nearby neighborhood and business associations in writing no later than 30 days prior to FILING this request. List the alderperson, neighborhood association(s), and business association(s) AND the dates you sent the notices:

Notice was given to Alder Baldeh and the Neighborhood Association via email 10/6/15. See attached emails.

→ If a waiver has been granted to this requirement, please attach any correspondence to this effect to this form. The Applicant has requested a waiver from the Alder.

Pre-application Meeting with Staff: Prior to preparation of this application, the applicant is required to discuss the proposed development and review process with Zoning and Planning Division staff; note staff persons and date.

Planning Staff: Heather Stouder Date: 10/6/15 Zoning Staff: Matt Tucker Date: 10/6/15

*Requirement waived per email from Heather Stouder 10/6/15

The applicant attests that this form is accurately completed and all required materials are submitted:

Re: Alteration to an Approved Conditional Use
Letter of Intent, CNEH Condos LLC, 1356 MacArthur Rd.
Eagle Harbor Apartments development

Dear Matt:

This is our Letter of Intent (Alteration to an Approved Conditional Use) for the property located at 1356 and 1360 MacArthur Rd. This project is located in the CC-T commercial district. The majority of the property was developed and completed in 2014 as a three-level multi-family residential building including 36 low-income apartment units and a two thousand square foot daycare facility.

Project Overview and Background

The property includes two condominium units, Unit 1 is the daycare space, operated by Lighthouse Daycare (1356 MacArthur Road), and Unit 2 includes the 36 low-income apartment units, known as Eagle Harbor Apartments (1360 MacArthur Road).

The Conditional Use for the development was approved by City Plan Commission in January, 2013. The Occupancy Permit for Unit 2, the 36 apartment units, was issued in September, 2014. The Building Permit for Unit 1, the daycare space, was issued in December, 2014. The Occupancy Permit for Unit 1 was issued in February, 2015.

The apartments are leased to people with varying incomes. This integrated environment includes housing units for people with incomes equal to 80%, 60%, 50% and 30% of the County Median Income ("CMI").

The daycare space is a great amenity for young families residing in the building and families living in the neighborhood. The daycare is operated by Lighthouse Daycare. Lighthouse also has a successful daycare location on the west side of Madison. Lighthouse is also a minority business and is a bilingual daycare.

Playground Fence Background

The daycare playground area was completed in summer, 2015. A wood fence was constructed around the playground area consistent with the plans submitted to obtain the Building Permit in December, 2014.

The owner received a violation letter in June from the City of Madison Building Inspection Division regarding the type of fence installed around the Lighthouse Daycare playground.

The original building and site plan approved by Planning & Zoning in January, 2013 for the entire site, identified the daycare fence as a 6' tall aluminum fence. These plans were approved prior to having a lease signed with a daycare operator and prior to having detailed construction plans completed for the daycare space.

In October, 2014 the owner signed a lease with Lighthouse to operate the daycare facility. Architectural plans were then created for the interior and exterior daycare space.

Subsequently, Alder Joe Clausius approved an *Application for Alteration of Existing Conditional Use*, allowing up to 36 kids instead of 32. Furthermore, a building permit was obtained from the City of Madison for the daycare build-out. The plans that were approved by the City called for a “wood privacy fence – Struck & Irwin Cedar solid-board fence – 7’ tall”.

Alteration Request

The Applicant hereby requests that City Plan Commission approve the existing wood fence as currently built.

The typical daycare playground facility built these days finds the playground located behind or to the rear of the daycare facility. Occasionally we find a playground built alongside of the facility but rarely, if ever, between the facility and the main thoroughfare. In most cases, the boundary fence is simply to keep the children within the playground area. There is usually little need for any privacy or security other than keeping the children within the playground boundary.

Because the Lighthouse daycare playground is located between the facility and the main thoroughfare, there are additional concerns that factored into the decision to install a more private and secure fence. The third concern is unique:

1. Security of keeping the children within the playground area. Both the original fence and the installed fence will accomplish this purpose.
2. Privacy in separating the children within the playground area from the adjoining thoroughfare as well as adjoining properties. Both the original fence and the installed fence will accomplish this purpose.
3. Identity security for the children within the playground area. We currently have 3 children, and may be expected to have more or less in future enrollment, that require identity security due to legitimate security issues. These 3 children are registered with us and their names are not even to be disclosed on the Dane County daycare registry as they are out of situations that have been abusive, risk of physical violence, or risk of custody battles. Sad but true, that these children's identities are being protected from a variety of outside entities. We unfortunately live in a time when children who have come out of these circumstances need to be protected, sometimes even from a parent who has lost custody of them due to physical or emotional abuse. We have security on all of our entrances and exit doors, and need to extend that to the playground fence. The reason is because the playground is so close to the main thoroughfare and is not behind or adjacent to the daycare facility. The identity of these protected children is being maintained by the fence as installed, and the original fence will not protect the children's identity. Anyone driving or walking past the playground could easily identify the children whose identities we are trying to protect.

This last reason is the primary reason for the fence change. When the daycare plans for the building permit were filed, the wooden fence was clearly noted, and Alder Clausius was notified that we were expanding the facility from an authorized size of 32 children to 36 children. Alder Clausius supported our expansion from 32 to 36 children, and we filed for our building permit with the fence change clearly noted on the plans. Upon receiving our building permit, we expected that we would need to do nothing additional. In hindsight, we should have also provided notice of the fence change in the supporting letter from Alder Clausius. We omitted this language and should have included it, but failed to.

We understand the position of the Planning Department that the original fence, as proposed, integrates in a more aesthetically pleasing way with the facility. However, we believe that criteria falls second in priority to protecting the identities of children whose identities need to be kept private due to safety concerns now and in the future.

There is the final matter of the cost of a fence change, which would be a burden to the daycare operator, but this was certainly not the primary concern when selecting the fence type that we showed on the plans as submitted for the daycare building permit. Identity security was the number one concern.
