Subject: Support Movin' Out housing and neighborhood center development proposal

Hello,

Please convey to the Planning Commission my support for the Movin' Out proposals in the Bridge-Lake Point-Waunona neighborhood. I will be out of town on January 11 and unable to attend the meeting.

I think the project will be an asset to the neighborhood and is a creative approach to meeting both urgent citywide/community needs for housing for working families and people with disabilities and the need for an expanded, stable neighborhood center. My support rests in large part on the role of Movin' Out as a primary partner and developer.

Thank you,

Jane Sadusky
