To Members of the ALRC:

At it's meeting on April 21st 2016, the MNA Board voted 7-1-1 to support the Class B alcohol license for the Paint Bar at 1224 Williamson St. Support was contingent upon maintaining a limit of 25% of alcohol revenue.

By the same margin, the board supported a front patio of a total capacity of eight people. Our support for the patio is contingent upon a closing time of no later than 10pm, no smoking allowed, no amplified music, and that no exterior lighting illuminates a neighboring property.

John Salituro from the Paint Bar has assured us that their request to the city for a patio will satisfy these parameters.

Sincerely,
Lynn Lee
