We support police chief, Mike Koval and the professional men and women of the Madison Police Department. Our chief is caring, respectful, smart, transparent, consistently striking the perfect balance between respecting our civil liberties and keeping us safe.

His force is a national model. These officers do the gritty work most of us don't have the stomach for. Despite the current climate of disdain for law enforcement, they willingly work with Madison's various communities, serving as social workers as well as law enforcement officers.

Instead of being grateful to Chief Koval and MPD for their service, the bulk of the common council, mayor, and other critics have found it necessary to publicly disparage this elite force. Their actions are causing divisions within the city, adding to mistrust of the police, encouraging unacceptable behavior and thus endangering the safety of its citizens.

In light of this, we call for the following:

- For the Madison Common Council and Mayor Paul Soglin to refute baseless charges of racism leveled against our police department. These statements only encourage future offenders.
- For the city to rescind the \$400,000 study of police policies and procedures.
- For Alderman Samba Baldeh to apologize for his baseless statement about Chief Koval during a June common council meeting.
- For the City of Madison to invest in combating crime and a growing gang problem.
- For community leaders to demand individual accountability and personal responsibility from citizens, regardless of age, gender, or race.

· Instead of publicly attacking our police, to strive to work closer with them.

We live during a time of growing hatred for law enforcement officers, perpetuated by media, and accepted by those unwilling to think critically. The men and women of the Madison Police Department work tirelessly to protect us from the worst society has to offer – and for that we should be celebrating them, not disparaging them.

Steve Fitzsimmons	Madison, WI	2016-06-30	I support our police!
Daniel Furseth	De Forest, WI	2016-06-30	What is happening to MPD at the hands of the media and it's common counsel is ridiculous. Chief Koval is a great leader and a great man who works tirelessly to keep his officers, and the public safe.
Marge Bils	Madison, WI	2016-06-30	Thankful that Mike Koval is our chief of police. Also thankful for the kind of police officers that MPD employs. Please keep Chief Koval in our Police force!
Mary Beth Growney Selene	Madison, WI	2016-06-30	I support our police officers and chief and at this point, no matter what they do is wrong...and that is wrong. Thank you.
Kari Sowieja	Madison, WI	2016-06-30	Law enforcement officers in our community have a daunting task of keeping the balance of order and Liberty within our community. Our MPD is one that is a model for other departments throughout the nation and its time our community leaders acknowledge the hard work the members of our law enforcement do every single day! They protect our community from the bad and at times even from ourselves. They wear the badge to protect and serve each and every member of our community, including those that are disadvantaged. It's well past time to recognize them for their commitment to our community and making it great again.
Maggie Mulroy	Madison, WI	2016-06-30	It's a shame that some people are blind to what a great police department the Madison Police Department is and how blessed we are to have Chief Koval as the leader. I come from New York and know very well what bad policing is. I am very proud to support MPD and Chief Koval!!!
Mark Kufahl	Madison, WI	2016-06-30	I support Chief Koval and the Madison Police Department because they do a wonderful job. It's too bad that progressive leadership in Madison is anti law-and-order and does all that it can to thwart the police in doing the job they are hired and appointed to do. As long as the Mayor, the Common Council and other critics continue to deride and disparage law enforcement, the more criminal activity and law-breaking we will see in Madison. It's already begun.
Shannon Hanus	Madison, WI	2016-06-30	Chief Koval respects all people from all walks of life. He does everything in his position in good faith and integrity to better our community. We as a community are very fortunate to have him as our leader.
Ann Felt	New Glarus, WI	2016-06-30	I believe in the integrity of the MPD and stand firmly behind them.
Jan Brown	Madison, WI	2016-06-30	I support Chief Koval and the MPD.
Mary Brethauer	Orfordville, WI	2016-06-30	I'm signing because I believe we have a great police force in Madison and I'm tired of seeing them unfairly attacked.
Victoria Villarreal	Madison, WI	2016-06-30	I support the MPD
Nancy Eull	Rochester, MN	2016-07-01	Believe in the cause.
Theresa Dowd	Wilmington, NC	2016-07-01	Most cops are really good. Just doing their job yet... many times heroic. I wouldn't want their job for sure. Give them a hand and cut them a break.
Richard Daley	Green Bay, WI	2016-07-01	Mike Koval is among the finest, if not THE finest police chief I have known in nearly 50 years in and around the law enforcement profession.
Chris Wayland	Sun Prairie, WI	2016-07-01	I support the Madison Police Department!
Richard Daley	Green Bay, WI	2016-07-01	Chief Koval is among the finest, if not THE most competent police chiefs I have known in nearly 50 years in and associated with the law enforcement profession.

Cindy Wallace	Stoughton, WI	2016-07-01	I support the hard work the men and women of MPD do every day. Many citizens have no idea what these officers are subject to on a regular basis. Their level of professionalism in the face of such challenges should be commended and supported by this community and certainly by Madison's elected officials.
Julie Baisa	Madison, WI	2016-07-01	I have worked with a number of MPD officers. They deal with so much abuse on a daily basis, yet I see many officers deal with situations in a professional and caring manner. Rather than critique officers, do a ride-a-long, and get a sense of what they have to deal with on a daily basis.
David Mays	Verona, WI	2016-07-01	Chief Koval is a very professional and respectful public servant. He has a very tough job. The baseless criticisms of him are upsetting since those who are making the accusations are know exactly what they're doing-- and getting away with it. MPD has my gratitude and support.
Mark Hazelbaker	Madison, WI	2016-07-01	There's a lot less wrong with the police that there is with the people in the community that are complaining about the police
Wendy Reichel	Madison, WI	2016-07-01	The many members of the Madison Police Department that I've met have been objective, professional, intelligent and helpful. MPD officers complete hundreds of more hours of training than the state training curriculum requires and that includes unconscious bias training. Most of them have bachelor's degrees, and 31% of the officers are women which beats the national average by 19%. Madison has one of the best police forces in the country, and I wish our city leaders would recognize that and treat them with the respect they deserve.
Jon Albertson	Madison, WI	2016-07-01	The police have a hard job, and I am extremely thankful that they do what they do. The attacks on the police over the past few years is absolutely ridiculous. The problem is always with the actions of the person committing the crime, not with the officer who was called.
Theresa Drinka	Madison, WI	2016-07-01	I respect our police force and worry about the safety of our officers. There are many sides to this problem of distrust and if we investigate one side we also have an obligation to investigate the responsibilities on all sides.
Howard Payne	Madison, WI	2016-07-01	I am tired of politics playing a significant role in the peoples lives of the city when officers are commissioned to do a job, but can't due to politics. The common council and the mayor have allowed The divide that we currently experience, and things are only going to get worse!
Lori Baer	Madison, WI	2016-07-01	I'm signing because law enforcement is near and dear to me. It is a job not enough people are willing to do but waste no time criticizing it.
Pamela ziegler	Prairie Du Sac, WI	2016-07-01	I feel the police are fair. They have to constantly deal with the growing problems in Madison. What would happen if they didn't take control???? I want to feel safe when I visit Madison.
jessica martinez	Stoughton, WI	2016-07-01	The MPD is a great police department with amazing officers. I support them 100%!
Gordon Disch	Verona, WI	2016-07-01	Attacks directed towards the Chief or the officers have a dramatic impact on the overall morale within an agency. Instead of attacking them, learn their job and see if you could do it. Give them the tools they need to fight crime and quit bashing theirleadership and the officers who are doing what no one else wants to do. Police in this county are the best you will ever find. Sometimes we have to do our job under thankless conditions. Respect is a two way street, if those we deal with are cooperative and respectful everything goes well, you don't cooperate and fight, it is going to be a little more intense then planned.
Scott Martin	Madison, WI	2016-07-01	Chief Koval and the whole force need our support.

Sonja Liston	Madison, WI	2016-07-01	I'm signing because I back the badge.
Andrew Smith	Watertown, WI	2016-07-01	I am tired of our law enforcement officers being vilified for doing their job. A job that most of the critics are unwilling to do. These officers put their lives on the line for complete strangers every day. If you feel the need to criticize then you stand up and take the oath.
Gregory Phillips	Madison, WI	2016-07-01	I believe in MPD
Damion Figueroa	Madison, WI	2016-07-01	I support the Madison Police and Chief Koval
Paul Eull	Rochester, MN	2016-07-01	I support the MPD to its fullest..top to bottom!
Kent Seeker	Madsion, WI	2016-07-01	Chief Koval and his officers are doing an excellent job, and do not deserve to be attacked for doing their job properly.
Renee Supple	Stoughton, WI	2016-07-01	Chief Koval and the police department, both sworn and civilian, deserve so much more from city leaders and the community at large. The City of Madison has no clue how professional, progressive, and highly trained their police officers are. I'm tired of seeing the department criticized and made to bend over backwards for what is clearly a criminal element being given cart blanche to run roughshod throughout the community and license to behave not only boorishly, but with little or no regard for societal standards and rules.
Christopher Hammen	Madison, WI	2016-07-01	I support our police!
John Klinzing	Madison, WI	2016-07-01	Madison police officers keep our business safe and secure.
Jill McKinley	Madison, WI	2016-07-01	I support what our police do and they have acted appropriately to crime. They protect this city.
Scott McConnell	Madison, WI	2016-07-01	Progressives are assbags
Mary Lu Anderson	Madison, WI	2016-07-01	I believe Mike Koval is the best Chief we have ever had. I am nearly 74 years old and have lived in this town all my life. I can't believe how horrified I am that some city 'leaders' jump to conclusions and make statements prior to obtaining all the facts. Even more disgusting is the behavior of former Chief Couper actually "throwing Chief Koval under the bus" in recent statements. He is an egotistical jerk who does not deserve any attention . Keep up the good work Chief Koval and MPD. We support you
Cara Hanson	Cross Plains, WI	2016-07-01	I believe we have an amazing police department and the chief supports our community as well as his officers. We need to stop allowing a small group to decide the fate of our community.
Kelly McConnell	Poynette, WI	2016-07-01	I support MPD and Chief Koval!
John Puckett	Madison, WI	2016-07-01	I have faith in the Chief and our Officers.
daniel orourke	Madison, WI	2016-07-01	It time we started supporting a great police department.
Melanie Ann	Oregon, WI	2016-07-01	I support MPD.
Sarah Baumgartner	Madison, WI	2016-07-01	I need the police.
Sherri Becker	Madison, WI	2016-07-01	I believe that the majority of the MPD overwhelming do the best they can in the "times" we live in. The world is not a safe place anywhere. We should support...not tear apart.
Nelson Ferreira	Madison, WI	2016-07-01	I support the Madison Police Department and its officers.
Sue Morovits	Madison, WI	2016-07-01	The police department is doing a good job, no material who you are you need to be held accountable. Recent events of letting individuals off will only create more problems. East town incident seemed to be a setup.

Stacy Troumbly	Isle, MN	2016-07-01	I was a resident of Madison for 5 years and work for MPD. The police department is the most dedicated, professional and ethical department I have seen or heard of. It was with the greatest pleasure and honor to serve under such a department, with the leadership of Chief Koval. With all my support, keep doing what you are doing MPD!
James Mankowski	Madison, WI	2016-07-01	The Madison PD does an outstanding job. We now have a police chief who is an actual leader, not a political puppet.
Katherine Tlusty	Madison, WI	2016-07-01	I'm worn. From media sensationalization of police encounters. From double standards for law enforcement officers. From hatred fueled by "squeaky wheels". From elected officials placing blame on a target whose sole duty is to protect and serve. But mostly, I'm signing because our officers need to know they are supported, and that we see the struggles both they and their families face.
marti donnell	milwaukee, WI	2016-07-01	Madison is my second home
Robert Kessenich	Evansville, WI	2016-07-01	Fire and PD stand together
Lynn Mason	Madison, WI	2016-07-01	I am tired of the lack of support for our exemplary police department and Chief Koval! The mayor and the council members need to stop allowing themselves to be bullied by the vocal minority! It's a broken record, but they're not getting it: don't resist arrest, and these issues will be NON-issues!!!
David Glomp	Madison, WI	2016-07-01	The people of Madison and especially the elected officials must understand that the rank and file citizens support the MPD !
Derek Weum	Deerfield, WI	2016-07-01	To show support for MPD and the officers that protect the harsh and unforgiving streets they patrol to keep people safe
Renee Robinson	Madison, WI	2016-07-01	I was fortunate to work as a Madison police officer for a short while and I know the great work that not only these officers do but chief Koval as well. He cares deeply for not only his men and women in blue but for the entire Madison community as well.
Karen Wilke	Waunakee, WI	2016-07-01	I am fed up with people not being responsible for their own actions and then putting the blame on the police who have to address the issues. The lady from the Black Gifted Group made a statement that if it was a white person who committed the crime she never would have been treated that way. She was so WRONG. My daughter was in college and was arrested for underage drinking and yes she had a bruise on her head from when the police officer put her in the squad car and bruises on her wrists from the handcuffs. Did we blame the police NO we had her accept responsibility for breaking the law. My granddaughter just a month ago went through the same thing. Did we blame the police NO we made her accept responsibility for the choices she made. This has got to stop and we need to quit making excuses for people regardless of color who break the law responsible for their own actions and quit blaming the people enforcing the laws. Ms. Laird was told three times to put her hands behind her back - did she, no. If she had given her name and address she may have disappeared when the police tried to find her as many others have and cost the taxpayers \$\$\$ trying to find her. Let's teach our youth right from wrong and if you do something wrong accept the consequences.
Michele Chytracek	Lodi, WI	2016-07-01	I proudly support the men and women who put their lives at risk daily to protect and serve.
Sheryl Castillo	Madison, WI	2016-07-01	In complete support of Chief Mike Koval and the Madison Police Department.
mike everly	Park Ridge, IL	2016-07-01	I lived in Madison and support the Madison police. Stop the criminals now.
Mary Erickson	Blanchardvill, WI	2016-07-01	I believe in the Madison Police Dept and all that Chief Koval is striving to do to protect this community. Thank you for all you do for us,

Courtney Govier	Madison, WI	2016-07-01	I support our police department!
Dan Denson	McFarland, WI	2016-07-01	I agree 100% with all of these statements!!
Alexandra Nieves Reyes	Madison, WI	2016-07-01	Because I do my job everyday hoping to make this a better place not because I want to oppressed anyone. It's a shame that all the lack of family support, lack of community programs, lack of ambition and entitlement comes down to blaming the police because it's an easy target. Reminds me of children blaming their parents for their choices. I stand with my peers, my chief and what my career represent.
Tim Beckett	Madison, WI	2016-07-01	Need to feel safe
Courtland Martens	Sun Prairie, WI	2016-07-01	I support MPD and Chief Koval. I think he's the best Chief in the modern era. He's a man of integrity, compassion and understanding. I work in the Madison area, and I know Chief Koval is trying his best to make Madison safe.

Micki Koopmans	Randolph, WI	2016-07-01	We need the protection of the men and women in blue. May God keep you all safe each day. Thanks for ALL you do and for all the sacrifices you make each day.
Shane Olson	Verona, WI	2016-07-01	The city council fails to support or recognize one of the best police depts in the nation. They have no idea how good they have it with a police department such as this.
Dorothy Borchardt	Madison, WI	2016-07-01	Chief Koval and the Madison Police Department are among the best. The problem is not the police but Council lack of leadership.
amanda ryan	Madison, WI	2016-07-01	I believe in the Madison Police Department and the character, integrity, professionalism and quality of individuals employed by MPD, and strongly support Chief Koval.

Judy Lowell	Madison, WI	2016-07-01	The Madison Police Department is one of the best in the nation and Chief Koval is carrying on the community police tradition while also keeping criminals accountable for their actions. What happens in Madison affects all of us in Dane County.
Jessica Murphy	Madison, WI	2016-07-01	Chief Koval is an outstanding leader and has handled the adversity if late with respect, composure and utmost professionalism.
Edmond Decot	Madison, WI	2016-07-01	I support our police force and appreciate them for everything they do.

Lucas Brennun	Onalaska, WI	2016-07-01	It's time to stand up for our officers and not punish them for doing their job. This should be sent to the DA as well
Robert Thomas	Sun Prairie, WI	2016-07-01	Dane county's gang population is growing quickly. The negative attitude toward our law enforcement is being used for political gain.
michael reeser	Madison, WI	2016-07-01	Civic Accountability applies to all elected and appointed officials, not just those who risk their lives to serve the city if Madison.
Richard Wroblewski	Milwaukee, WI	2016-07-01	Politicians that are too cowardly to do anything in today's world, and don't have what it takes to ride in a squad car for one night (without being protected), let alone to make law enforcement a career, do not have the knowledge, intelligence or guts to open their mouths about anything in regards to law enforcement. Law Enforcement is not about being politically correct or popular, or caving in to special interest, like politicians do, it is about enforcing the law and protecting people, which is the last thing that politicians care about.
David Griswold	Madison, WI	2016-07-01	I stand with the Madison Police Department. I want equal justice for everyone. It's blatant discrepancy in how crimes are treated in this city. If you have protesters on your side you can get released from jail and put on a program not available to those charged with felonies, even if you are accused of felonies. Yet our DA sees fit to treat people differently based on public reaction. We need a new DA with a backbone and who supports and stands up for the women and men who protect and serve our community. I stand with MPD.
Jonathan Kabitzke	New Berlin, WI	2016-07-01	I support the acts of the Police Chief in Madison.
Kate Baldukas	Stoughton, WI	2016-07-01	You are all truly fine Americans! Thank you today and everyday Madison Police!
Lisa Thomas	Madison, WI	2016-07-01	Run to the police, not away from them!
Brandon Jakubik	Madison, WI	2016-07-01	I stand with our men and women of the Madison Police Department and Chief Koval. This is a one of a kind department that we can be proud of. #MPDstrong
Hilary Samsa	Madison, WI	2016-07-01	Madison police are some of the greatest and most kind-hearted people out there.
Mark Collier	Fall River, WI	2016-07-01	I work in Madison, and I see the challenges that our Officers face each day, and the sheer numbers of people they are expected to serve and protect. It is my opinion that the department is understaffed, underfunded, and their resources are very limited. The dangers they face daily are armed gangs, drug trafficking, dangerous addicts, transients, predators, murderers, rapists, armed robbers, sexual assaulters, and career criminals. Madison is not a small town with small town problems. Madison is a small city, with an influx of crime from Chicago IL, where shootings, and murders are at record levels in the country. This police force does its best each day to fight this crime, help honest citizens, and to ultimately go home alive to their loved ones and families, so they can live another day to protect us from these extreme hidden dangers. Criminals hate cops, they are a threat to their way of life, politicians in Madison are afraid of hurting someone's feelings out of fear they may look bad at election time. Wasting \$400k on this study is ridiculous., but then again so is shaming the police force so you look politically correct.
Chris Thomsen	Sun Prairie, WI	2016-07-01	Having worked in Law Enforcement in the Madison area, along side of them Officer Koval and men & women of MPD: I know first hand of the dedication, training and integrity of this department. I'm proud to have worked with them and stand with them. Madison should count its blessings to have a Chief of Police the likes of Chief Koval and the fine officers of MPD.
Shauna Nelaon	Verona, WI	2016-07-01	I agree 100%. Thanks for all you do, MPD.

Matthew Drahn	Niceville, FL	2016-07-01	Because this is where I grew up. My family still lives there and I truly believe that the MPD and the chief of the MPD are keeping Madison safe and are professional and moral too. I may again live in Madison it still is considered my home.
Betty Thompson	Madison, WI	2016-07-01	I believe the majority of our citizens believes are being unfairly overshadowed by a vocal minority. It is a difficult job and I believe the police need our support when they are performing their jobs in a worthy manner.
jeremiah villarreal	stoughton, WI	2016-07-01	They need our support.
Debra Wenzel	Menasha, WI	2016-07-01	The only reason I have the ability to sleep safely every night is because of our police.
Tom Parr	Madison, WI	2016-07-01	This Chief has been the most caring, compassionate, and competent leader MPD has ever had. Please support him with your thoughts, words, and prayers. Do not let over reaching malcontents diminish all that the Chief has done to bring positive outcomes to Madison!
ERIC BEYLER	Madison, WI	2016-07-01	I am tired of the Politically Correct crowd's constant, and unwarranted attacks on the Madison Police Department. And Couper has the arrogance to criticize Chief Koval, after the stunts he pulled when in office. Using the Police boat on lake Wingra to entertain his girlfriends, while still married yet. If an officer disagreed with him, they would be railroaded out of the department with no due process. Sorry about my ranting. I think we have the best Police Department ever, lead by the best Chief ever in Mike Koval, who stands up for every one of his Officers. I am proud of our Officers, and Chief Koval for doing what needs to be done, and saying what needs to be said!
tari piediscalzzi	madison, WI	2016-07-01	The Madison Police Department deserves more respect!
Richard Morgan	DeForest, WI	2016-07-01	Im sick of people attacking the cops and turning my hometown into a liberal cesspool
Andrea Oliver	Sun Prairie, WI	2016-07-01	I appreciate and support the men and women who put on the badge every day. They are faced with challenges most of us would turn away from. I am thankful for their dedication and sacrifice. My family and my community IS safer because of their efforts.
Heidi Laundrie	Stoughton, WI	2016-07-01	I support all MPD officer and think the Chief is a great leader
Eric Risley	Middleton, WI	2016-07-01	I may live in Middleton, but I work in Madison and so does my girlfriend. I am quite sick and tired of the whiny malcontents constantly arm chair quarterbacking the police.
bruce j breecher	Brodhead, WI	2016-07-01	The attacks on chief Koval and the MPD are getting old. It also seems everytime someone does something wrong, there's some group that shows up to bail someone out. Enough is enough! We need people to take ownership on their own behaviors and let the MPD do their job.
Susan Daniel	Verona, WI	2016-07-01	I just moved to Evansville from Madison-Verona. I think Mike Koval is doing an excellent job. Back in the day when I grew up in Madison we never even locked our doors! We need to put up a wall between Madison and Chicago ,just sayin!
Amanda Bliss	Belleville, WI	2016-07-01	I give full support of our law enforcement! Where would we be without them!
Carol Poole	Madison, WI	2016-07-01	The MPD saved the life of a beautiful little girl that I now call my daughter and hope to adopt one day. She would not be here today if the MPD did not save her from abuse. I will always support our wonderful men and women serving this community. No one talks about the good things they do every day. Thank you!

Jeff Meyer	Madison, WI	2016-07-01	Let's start holding individuals accountable for their actions and stop making the job of police more difficult than it needs to be.
Jon Drollinger	Sun Prairie, WI	2016-07-01	I'm tired of constantly being ridiculed in the media. Madison has been and is at the forefront of community policing and community outreach. In order for these programs to work and thrive, we need... surprise, the community. Madison is spoiled with the types of committed and educated applicants we receive every year at MPD. Unfortunately that will change if people don't stand up and recognize the good work being done.
Scott Maurer	Sheboygan Falls, WI	2016-07-01	I support the fine police officers in our nation not the criminals!
Steven Beier	Madison, WI	2016-07-01	Because I'm tired of the way the city "leaders" are treating Chief Koval!
Cara Kalafut	Menominee, MI	2016-07-01	I am signing because I support all the time, effort and sacrifice police officers do
Brian Derr	Madison, WI	2016-07-01	I support the MPD, chief Koval. And I'm tired of citizens that make bad decisions and break the law getting a free pass and not having any accountability.
lindsay radloff	fitchburg, WI	2016-07-01	I support MPD and their leader, Chief Koval!
Char and Dan Tortorice	Madison, WI	2016-07-01	Our experience with the police dept. has been nothing short of exceptional. We fear that when those in the helping professions like teachers and the police are disrespected and maligned, our whole fabric of society is threatened. Hire the best, train them well, provide continual professional development and supervision, then let them do their jobs.
Steven Beier	Madison, WI	2016-07-01	It's about time the other side speaks up and has it's voice heard, silence in this case will prove very costly to all responsible Madisonians.
Roberto Dean	Madison, WI	2016-07-01	I'm tired of the relentless assaults on law enforcement without due process.. The attacks appear to be motivated by race and politics.
Tashyna Aden	Milton, WI	2016-07-01	I stand with the Madison Police Department. I know that personally could not go out there day after day and face the issues these men and woman do. It's easy for people to stand behind a podium or computer and judge the actions of others. That needs to end. The blatant disregard for the law needs to end.
Tim Ritchie	Madison, WI	2016-07-01	We have wonderful dedicated, educated police in Madison.
Patricia Eley	Waunakee, WI	2016-07-01	Both of my sons are Police Officers. Blue Lives Matter!

Norman Sannes	madison, WI	2016-07-01	It's time for the "silent" majority to be heard, and not shouted down by BLM and the Madison "Progressives."
Stephanie Green	San Antonio, TX	2016-07-01	Police are hereos who deserve respect and support.
Connie Rosemeyer	Madison, WI	2016-07-01	Support MPD
Bryan Pellitteri	Madison, WI	2016-07-01	This b.s. needs to stop. If the unfair criticism of our police continues we will end up like Chicago, Baltimore or Oakland, where officers are afraid to respond in fear of an uprising or even prosecution. Guess where the crime rate goes from there, & who suffers?
Wendy Lee	Deerfield, WI	2016-07-01	I am actually one who lives and works in Madison and has a vested interest here. Chief Koval is the best law enforcement leader that this area has ever seen. Unlike some of his peers, he does not pander to the "squeaky wheels". Rather, he does what's right for the community as a whole and runs an amazing department. He's a LEADER and not a politician. He's one of few.
Kathleen Oshea	Sun Prairie, WI	2016-07-01	It's the right thing to do.
Carrie Herbst	Poynette, WI	2016-07-01	I respect police officers and the critical decisions they have to make everyday.
Tim Tender	Madison, WI	2016-07-01	I support our police and feel the community needs to support them.
Stephanie Wanninger	Stoughton, WI	2016-07-01	Thank you for protecting us.
Nancy Wild	Columbus, WI	2016-07-01	I've know Mike Koval 20 years and worked with him at MPD for 5. Morale and professionalism has improved since he's been Chief. The problem is the blindness of the Mayor and Council in their lack of support. These are tough times in a changing Madison and it takes a tough guy to deal with them. Mike is that guy.
Carlos Romero	Brooklyn, WI	2016-07-01	I support the Madison Police Department and his Chief is time for our top leaders to do the same.
Greg Gehrig	Madison, WI	2016-07-01	We should support our public workers

Mary Oberer	Madison, WI	2016-07-01	I was a 911 dispatcher and feel the mayor has unreasonable expectations for the 911 center and the Madison Police. Ever since then I have the greatest respect for the MAPD!
Andrew Marcin	Madison, WI	2016-07-01	I support Chief Koval and the officers of the MPD. I am disheartened by the lack of support given to the Chief and our Police Officers by the City Council.
Timothy Kittle	Tulsa, OK	2016-07-01	I was a cop for 20 years, a good portion of it in WI, and a former WPPA local rep. I am currently an attorney who practices Section 1983 Civil Rights law. And, I have family in Madison. A replacement for Chief Koval that his opponents find acceptable would exacerbate criminal activity in the City of Madison, as Chief Koval's opponents seek to excuse criminally aberrant behavior when committed by specific minority groups. That would serve as an invitation to those with criminal intent, i.e., street gangs, to migrate to Madison and endanger the safety of the law-abiding people who reside there. I have abundant experience with these types, both as a cop and as a criminal defense attorney. They will exploit every signal of weakness to expand their criminal enterprises. Chief Koval has supported his officers who have properly performed their duties. In this day and time, Madison cannot afford to return to the soft, ineffective methods of law enforcement instituted and espoused by David Couper. This is a new, different, and more dangerous era, and Madison is no longer immune to violent criminality now escalating in metro areas around it, such as Milwaukee and Chicago.

Gary Graper	Madison, WI	2016-07-01	Police Chief Koval is the first head of the Madison Police Department to do something about the increasing crime problem in the Meadowood area since 2000.

Valerie Baumann	Middleton, WI	2016-07-01	Our police are the finest in the nation.
Brad Keil	Middleton, WI	2016-07-01	I am a retired Police Chief from Dane County. I know the training and the professionalism of the Men and Women of the Madison Police Department. Madison PD is a model department thanks in no small part to the years Chief Kovak spent training and recruiting officers prior to becoming chief. Arresting violent resistive offenders is never pretty. We must support the Chief and the officers involved in this latest incident. We must demand from our District Attorney and community leaders that they begin to hold offenders accountable for their actions.
Michelle Reints	Madison, WI	2016-07-01	I am signing because I believe in Chief Koval and the Madison police department.
Patricia Rogeberg	Madison, WI	2016-07-01	Our police work hard, do the best they can and deserve our support. Plus, we love Chief Koval.

Sherri Erickson	Stoughton, WI	2016-07-01	I believe our police men and women have one of the hardest jobs there is. They do there jobs professionally and need community support. I trust the actions they make in the line of duty are thought out and justified. We might not always know the reasons for the actions they take at the moment of an interaction, but until all the facts are known we should stand behind them. They have my support.

Tim Healy	Madison, WI	2016-07-01	For every reason stated in this letter and because it is very obvious that the majority of our alders have lost their spines and minds. They seem clueless to the real responsibilities of our police officers. Progressive Dane has reared it's ugly head once again and is pushing their usual anti-police agenda which includes not holding people accountable for their actions. Chief Couper always was and always will be a flake with his head in the clouds and had very little support from his troops. Why do they keep getting anti-police quotes from this hallucinating moron? Remember when he retired and made the statement that there was NO gang problem in Madison? I worked for the Madison Fire Dept. for 20 years and have been very involved with Madison Fire Fighters Local 311 for over 30 years. My dealings with the MPD have been numerous on many different levels. I have known every police chief since the late 60's and I am friends with or have had dealings with at-least 100 or more police officers in my lifetime and career. I interact (socially) with retired and active cops a couple times every week. Madison is VERY fortunate to have the quality of police officers and the quality of service that they provide. I have never known a better City of Madison Police Chief than Chief Koval. Tim Healy
Gage Beecraft	Evansville, WI	2016-07-01	There is nothing wrong with the Madison Police Department.
Maureen Fohey	Sun Prairie, WI	2016-07-01	I support the MPD!
Amber Grenfell	Cross Plains, WI	2016-07-01	I'm signing because police shouldn't be afraid to do their jobs because of possible backlash due to someone else's race, religion, gender, or any other factor. We should not let criminals go unpunished because of their race, religion, gender, or any other discriminating reason. Laws apply to everyone and if they don't then they lose their strength and ability to work properly.
Patti Caputo	Madison, WI	2016-07-01	I totally support our hard working officers. I hope these critics won't need to call for help any time soon. We all need to show our appreciation for Chief Koval and his department!!!!!!
Kathleen Smith	Mount Horeb, WI	2016-07-01	My husband works at MPD and I fully support Chief Koval.
Georgina Johnson	Mazomanie, WI	2016-07-01	I work in Madison & appreciate the ability to do so. I want to remain safe so I can go home to my family at the end of the day. I'm signing because these police officers deserve the same. Not to be belittled and judged unfairly.
Gail Nix	Memphis, TN	2016-07-01	Madison is my home I'm retired and come very often. I live in Memphis Tennessee and we have a crime rate rated below Chicago. WE SUPPORT OUR OFFICERS your officer reacted to the situation and did his job how DARE HE NOT GET THE SUPPORT HE DESERVES. I watched the video BLM sorry she got what deserved
Elizabeth Kelsey	Fitchburg, WI	2016-07-01	Madison has an excellent Police Force!!
Greg Hollenback	Baraboo, WI	2016-07-01	I'm signing because it is the right thing to do.
Warren Somerfeld	Madison, WI	2016-07-01	It is not the Police Dept. that needs to change but rather the elected officials, the media and the culture of all of those people who cause the Police to have to take actions to keep us safe. We support Chief Koval and the entire Police Dept. but we have trouble supporting the members of the Common Council, the media and most of the so called "community leaders".
Dan Gray	Madison, WI	2016-07-01	People in the community need to be held to some level of accountability. At the current time, this is not happening.
alana bonoanno	madison, WI	2016-07-01	We have a great police chief and team of policemen. Tough on crime which is needed in this city.
Randy Schulting	Oregon, WI	2016-07-01	I don't live in Madison, but I work here. I know the police force has a tremendously difficult job and I'm signing this to show them that I support them!

Christen Ward	Sauk City, WI	2016-07-01	I support our law enforcement. They have an incredibly difficult job and need community as well as political leadership supporting them. I am grateful to live in a country that provides so much to its citizens. We have freedoms many other countries do not. When people take advantage of those liberties it falls on our law enforcement to enforce the law and keep everyone safe. For that, I am grateful and support our officers in uniform. Thank you.
Katie Mahr	Madison, WI	2016-07-01	I believe in Chief Koval and our men and women in blue!
Acker Kristine	Waunakee, WI	2016-07-01	Chief Koval has turned our organization around, changed morale, knows us all by name and cares about the community. I have never seen a Chief work so hard to be with victims, meet with community organizers, go to community functions and do what is best for the residents of the City of Madison.
Caleb Johnson	Madison, WI	2016-07-01	Chief Koval is doing a fantastic job and the city has no idea how lucky they are to have him.
Ledin Heather	Muscoda, WI	2016-07-01	Madison Police do a great job. They are in a tough position EVERY SINGLE day. They deserve our respect and our support!
George Meyer	Madison, WI	2016-07-01	Rank and file officers represented by Chief Koval need much more visible support from the Mayor and Council, who appear to be intimidated by a small group of extremists.
Jerry and Pat Ritchie Ritchie	Madison, WI	2016-07-01	We support our police
Debra Dahl	Deerfield, WI	2016-07-01	I support our law enforcement officers!
Julie Barezinsky	Eastman, WI	2016-07-01	Madison PD is one of the best departments in the country, and Koval is the best chief in the last 50 years, and possibly ever.
Melissa Henke	Madison, WI	2016-07-01	I am extremely grateful of all police officers and the hard work that they do to keep me and my family safe. Thank you!!
Patt Dischler	Madison, WI	2016-07-01	I'm worried about the lack of respect we give to those who are endangering their lives to help us. I'm afraid of the caliber of person who will want to become a police officer in the future if we continue to treat them like the enemy.
Donald Wachter	Madison, WI	2016-07-01	I believe Chief Koval is doing an excellent job of standing up for all of Madisonians. He has a difficult job of controlling extremism here in our community as our leaders in Washington these days.
Christina Koppa	Waterloo, WI	2016-07-01	I support MPD
Christine Konen	Madison, WI	2016-07-01	I stand by the goodness of the men & women that have pledged to keep our city safe. I believe it should be of the highest importance of our mayor, city officials, and district attorney's office to work hard to keep those that have pledged to serve and protect our community SAFE as well. Give our public services the support and tools they need to do their jobs well; so they may continue to uphold order in our community while striving to make Madison a better place.
Judith Marcin	Madison, WI	2016-07-01	I support Chief Koval and all the men and women on the Madison Police Force. I am tired of the harassment by Madison City Council. They have had a vendetta against the chief and his department since Tony Robinson and have held a grudge by doing everything they can do to go against the Chief and his department. We have the greatest police force who are willing to put their lives on the line to protect ALL citizens of Madison. It is time for members of the Progressive party of Madison to rethink who and what they are. As for the city council, I fear there is no hope until they are voted out of office
Jean Sannes	Madison, WI	2016-07-01	I am very thankful for the law enforcement we have in this city and want to support them in any way I can.

Teresa Schutz	Madison, WI	2016-07-01	Chief Koval and his department deserve our support. If we could, I would recall most if not all of the city council. The city council has no common sense and is catering to a small group of people. We need the \$400,000 spent on a bigger police force, not an irrelevant study. Stop raising our taxes if that's how your spending it.
Paul Herrera	Port Wentworth, GA	2016-07-01	Most police departments should use the MPD as a roll model. Chief Koval has held some of the highest standards and handled things more professionally then most of the nation. I've been over many parts of the globe. The world is becoming increasingly violent, I served overseas and I've come home to a much different place then when I left. Criminals are more willing to kill an children are more willing to commit heinous crimes then ever before. Yet somehow we expect the police to have less involvement with a group that's more willing to fight and kill them than ever before.
Denis Daly	Australia	2016-07-01	The police need all the support they can get. The people launching these tirades against the police are anything but model citizens, Just the people who complain about bein g victims of racial discrimination are often the worst racists, so those who complain about "police brutality" are more than happy to use violence themselves.
Lauri Mill	Stoughton, WI	2016-07-01	I support our police officers 100%
Michele Eaton	timperley, United Kingdom	2016-07-01	Police need to be supported not victimised.

Travis Reigstad	Madison, WI	2016-07-01	I stand with the blue line
Jon Schwier	Verona, WI	2016-07-01	I believe that the actions taken by Chief Koval and his officers are appropriate. When did we make it ok to fight again police and put officers in harms way? If someone is breaking the law they are BREAKING THE LAW. We don't live in the shoes of officers who have to make quick decisions in possible life threatening situations. I respect the officers in Madison and think it's ridiculous that there have been disparaging remarks about the force. Chief Koval is always professional and open when he talks to the public.
Merrilee Riley	Minneapolis, MN	2016-07-01	Four of my grandchildren live in Madison, which is a great place to live, and my daughter is a member of the MPD. I value the service of Chief Koval, my daughter and her fellow officers. I also am a UW graduate,who has lived in Madison and who believes that inflaming rhetoric and name-calling are poor substitutes for finding the common ground and values, which are necessary to solve community problems. I believe that Madison, its citizens and leaders are better than that.
Mark Lloyd	Oconomowoc, WI	2016-07-01	I support the Madison Police Dept!
Beckett Rowan	Eugene, OR	2016-07-01	I chose to become a police officer, to move to Wisconsin, to wear the MPD uniform because of Chief Koval. MPD is the best force I have ever seen, from the top down. Policing is an ugly business because violence and crime are ugly, not because MPD isn't doing it right.
Jeffrey Fiess	DeForest, WI	2016-07-01	I don't live in Madison, but I do a lot of work there. The disrespect shown for our law enforcement is shameful!
eileen Bruskewitz	Waunakee, WI	2016-07-01	This is what the City of Madison gets when Progressive Dane and left wingers get elected to positions of power. Wake up Madison.

Gary Wegner	Madison, WI	2016-07-01	My apartment is adjacent to a Madison apartment. Tennants appreciate the protection and security provided by both Police forces in this high crime area where they are much more concerned about their rights to safety and protection than protecting the criminals.
Scott Johnson	Stoughton, WI	2016-07-01	As an ex-LEO I can't believe how the officers are being viewed as the criminal for doing what they were trained to do, and the criminal treated like a victim for non-compliance and being an idiot!
Roberta Goodnough	Stoughton, WI	2016-07-01	I stand by our police officers.

Melissa Randall	Lodi, WI	2016-07-01	I met the Chief at the Taste of Madison. He was out in the community and engaging with citizens in a way that was extremely positive. To sit and talk with him was an honor. I support Chief Koval!
Maggie Ritchie	Madison, WI	2016-07-01	We must do everything in our power to put an end to the divide and conquer mentality that Mr. Walker has brought upon our city and state. We have been programmed to blame civil servants for societies behaviors. His mission began with public school teachers then nurses, corrections, the DNR and now the very best police force a city could ask for. Utterly dispicable on every front.
Gregory Humphrey	Madison, WI	2016-07-01	I have personally seen the positive impact the police have in our community and worked with them to further shared goals. They deserve our support and respect.

Cheryal Boles	Prairie du Sac, WI	2016-07-01	He. Is a upfront officer.
Bernie Albright	Madison, WI	2016-07-01	The silent majority (like 99%) of this community consists of law abiding citizens who support the Police. Chief Koval is a hero and our City could not ask for a better leader. City Council...remember you are supposed to represent all citizens, not just the ones who break the law and fight with Police.
Brett Wright	Sun Prairie, WI	2016-07-01	I believe in both the community and police departments

Mary Wunsch	Madison, WI	2016-07-01	I am disappointed in the divisiveness that is demonstrated by those representing this city. Stand up for what is right and just, not cave into the very few who tear down those who choose to serve. Without a strong police force, there is anarchy!
Tina Bircher	Verona, WI	2016-07-01	It has gotten way out of control and the public is making it impossible for police officers do there job without constantly insulting the police for doing their job!!! You break the law in a threatening way you deserve to get your ass kicked!!!!

Peter Dau	Madison, WI	2016-07-01	I support the police being able to do their job without fear of condemnation unless there is just cause.
Scott Rortvedt	Arlington, WI	2016-07-01	I'm signing this because I'm sick of the general lack of respect and the disrespect that is quickly becoming the national trend for our men and women in blue. They know from the time they go to work until the time they go to bed at night that they are under scrutiny from the public and knowing there are cameras everywhere just waiting to film them and yet they still go to work to keep us safe. Its just pathetic the way our officials who are supposed to be in charge cave under the pressure from all the whiners. My hats off to these brave individuals for going to work and enforcing the laws! Cheers to you!
betty nicka	Madison, WI	2016-07-01	agree with others

Casey Taylor	Concord, CA	2016-07-01	Please support your chief and the MPD. I've seen how they have handled potential explosive situations with professionalism and respect for ALL citizens from 1500 miles away. Your Chief and the men and women of the MPD are models for 21st century law enforcement.

Carolyn Matney	DeForest, WI	2016-07-01	I am signing this petition because I lived in Madison from 1946 to 2010 when family circumstances required I move to DeForest. Madison Police have always been there for me when needed. If you break the law you must take the consequences. No fighting, kicking, threatening or other actions, just do what they ask. I think Madison Police are doing their jobs well.
Ron Oelke	Sun Prairie, WI	2016-07-01	They have my support.
Brooke Blaser	Madison, WI	2016-07-01	I support the integrity of the MPD as well as their professional actions. Thank you for keeping our communities safe!
Mandi Sies	Middleton, WI	2016-07-01	I support police and they protect and help us!!
Jeremy Flanagan	Beloit, WI	2016-07-01	LEOs need to be able to work and not continuously fear for their job. Wear cameras and mics to keep things fair. And, the community should be held accountable for their actions. If the officers are at fault, then admit fault. But, if officers are innocent shown by following accepted practices, then the suspect should be put on social media, TV and print as being at fault just like what's happening to the officers. Police need our support to make sure they get to go home every day.

Nicole Vidal	West Salem, WI	2016-07-01	I support the Madison police officers 100%. Stop supporting criminals and their disrespectful behavior, stand behind your police force!
Barry Lewis	Madison, WI	2016-07-01	I have personally met Mike Koval and was impressed with his professional and kind demeanor. I appreciate his support of the lawful community and his commitment to keeping Madison safe. His detractors are actually using qualities that make him a good Chief, and trying to use that against him. We are fortunate to have him in his position. I just hope he isn't discouraged by all this nonsense.
Kerri Hall	Madison, WI	2016-07-01	I agree that Madison Police and Chief Koval are rich with courage, justice and professionalism and our community is soft on important matters that are racially divided.

Ilene Brown	Madison, WI	2016-07-01	I have lived in the middle of the muddle for 31 years. I have seen nothing but good support from our neighborhood police force all that time. And they have always been responsive as far as I'm concerned and I've seen it all!

Dan Wolfgram	Sun Prairie, WI	2016-07-01	Madison police, and really all police across the nation, perform in an exemplary and most professional manner! Thank you! God bless all police officers and their critical support staff. Threatening our professional police (and their ability to protect and serve) are liberal politicians and liberal, malevolent (dark) money (Soros, etc.). And, the local liberal media truly is complicit in trashing our Law Enforcement Officers. It's never been tougher for our men and women in blue to do their jobs. Fire-up law-abiding people and support the Madison Police and Chief Koval! Make yourself be heard! Inaction and not supporting our police will have consequences.

LaVon Accola	Madison, WI	2016-07-02	I support the police department. Unfortunately the Madison schools are adding to the problem by allowing students to not be held accountable for their actions and so these same kids/people treat the police department like they treat teachers. And that is with no respect.

Lyle Bliss	Janesville, WI	2016-07-02	<p>As a retired law enforcement officer with over 35 years experience and a graduate of the 102 class of the FBI NA, I support Chief Koval and the great job he is doing for the city of Madison as thier Chief of Police. I do not understand why some people believe that police must guilty, before one bit of information has been gathered.</p> <p>Once a police officer says these words, "You are under Arrest", you must not resist, but must submit. At that point, it is the Officer's duty to take you under control either the easy way or the hard way. I would want to say ok, here I am. Then you can talk with your attorney.</p> <p>What I saw of the very few seconds of tape was a person on the ground trying to prevent the officers from completing thier duty of getting her in custody. Madison, you have a great citizen and Chief of Police. Chief Koval, you are right on Point.</p>
Sharon Schultz	Madison, WI	2016-07-02	Sharon Schultz
Donna Spangler	Mazomanie, WI	2016-07-02	I support Chief Koval and the MPD. What a difficult, thankless job they have. I for one Thank them, when traveling in Madison, I'm glad they're around!
Dean Baldukas	Madison, WI	2016-07-02	I stand in support of Chief Koval, and the men and women of the City of Madison PD. Glory-holing nincompoops who are out of touch with reality and common sense should focus on the good work done by officers on a daily basis, rather than whoring themselves to the media in order to stroke their egos or justify their puny existence. Focus on the minority dropout rate and lack of employment opportunities that push people to commit crimes, rather than blaming police for the city's failures. Time to smell the salts, you dolts.
Lyle Christian	Madison, WI	2016-07-02	I support our Madison Police. Thank you for the job you do everyday. They deserve the support and respect of every law abiding citizen of Madison. Shame on the Alders of this city!!
florence Deese	Madison, WI	2016-07-02	How long is Chief Koval and our policemen going to take the abuse they have endured lately? Soon we will have no one to protect us and our rights. It scares me.

Nikki Storck	Madison, WI	2016-07-02	I support our police officers and the hard work they do everyday to keep us all safe.
Andrea Malchow	Madison, WI	2016-07-02	My father was a Madison Police officer from 1966 to 1981. He then continued his law enforcement career in Northern WI until 2009. My brother just retired after a 28 year career. Both my Dad and Brother served selflessly and brought nothing but honor to the badge.
Rod Wealti	Verona, WI	2016-07-02	I'm signing this because the do nothing Madison Common Council, Paul Soglin and Samb Baldeh lack the courage and/or have the desire to stand up to a group of thugs that want nothing more than to put their foot on the throat of the Madison Police department, which in turn will make Madison a mini Milwaukee. My other concern is once the thugs succeed at breaking Madison, they will target the surrounding communities McFarland, Middleton, Verona and play this same game. If the Madison's common council and the mayor can't perform their duties, it's time for them to step aside or get forced out and get some people in those positions that can handle the job.
Nicki Cone	Baraboo, WI	2016-07-02	I support Madison Police Department
Amy Arenz	Madison, WI	2016-07-02	I support the police department and stand behind them!

Brandon Vloch	Madison, WI	2016-07-02	The Madison police force is one of the best in country. I have never had anything but positive experiences with the MPD and am tired of them getting publicly attacked. Koval is one of the best police chiefs this city as ever had.
Tanya Sellner	Sun Prairie, WI	2016-07-02	I work at the Dane county comm center and see how hard these men and women work and 100% support them
Stacy Anderson	Oregon, WI	2016-07-02	It is shameful how elected officials are treating the chief and his officers of the MPD as if they are the criminals.
Vernal R. Bronson Sr.	Madison, WI	2016-07-02	It's time to speak-up to all those who feel the Police are to blame for everything. When are people going to be held responsible for their own behavior?

Kirsten Eckerman	South Wayne, WI	2016-07-02	I work with them on a daily basis in the ER. Always professional and outstanding
bob west	Madison, WI	2016-07-02	Madison has a very good Chief and skilled police department and the City Council has lost its way. Problems of poverty and race will not be solved by attacking law enforcement.
phillip marshall	Verona, WI	2016-07-02	Support my local police, persons should respect their commands
Nick Phillips	Madison, WI	2016-07-02	Too many people are giving more support to criminals than police officers. It's time to stop rewarding criminals for resisting arrest and disrespecting individuals that will give up their lives to protect our way of life.
Jeff Wilson	Madison, WI	2016-07-02	I'm signing because the police have a tough job and need the support of the community. The police need to know they have the support of their administration so they don't second-guess their actions putting either themselves or the community at risk.

Joe Johnson	Madison, WI	2016-07-02	I believe in the Madison police all the way up to the chief. It sucks in this day and age that Olathe culture of the community goes after the men and women that protect us and not the criminals. It sucks our officers hold back in many situations that they shouldn't have putting their lives and citizens in the community lives at risks. It's time to change our culture that we go after the bad guys not the men and women in blue. Give the power back to those who protect and serve.
Michael Kindschi	Madison, WI	2016-07-02	The police department isn't the problem. It's the growing population brought to Madison to use the large menu of social programs.
Roberta Alan	Ridgeway, WI	2016-07-02	I believe Chief Koval is one of the best things to have happened to Madison. People have no idea how lucky they are to have him as chief.
Daniel Riemer	Madison, WI	2016-07-02	I am tired of the media portraying the police as the bad guys. People need to be held accountable for their actions. No matter their race.
Katherine Phillips-Riemer	Madison, WI	2016-07-02	Parents should start "policing" their kids so the MPD doesn't have to!
Tom & Elaine Walstad	Cross Plains, WI	2016-07-02	Chief Koval has been doing a good job. Let him do it. There are too many thugs out there who know they can push the cops to the limits and get a lawsuit out of it. It's about time things change.
Roberta Radzicki	Waunakee, WI	2016-07-02	Chief Koval is an extremely moral and responsible person caring not only for his officers but the public at large. He cannot make up for the lack of discipline that the general public display in not taking responsibility for their poor choices and actions. The Police Dept. is not a group of adult babysitters but here to enforce the law. I am very grateful for the opportunity to sign this petition.
Todd Jensen	Madison, WI	2016-07-02	A strong police force makes Madison a better place to live.
Richard Munz	Madison, WI	2016-07-02	Our Police Department has a very tough job. They need our support!!
Kathleen Saunders	Madison, WI	2016-07-02	We hear too much publicity of what the police does wrong and not enough of the good things. I thank each one I see and tell them how much they are appreciated. They put their lives on the line for us each day.
Todd Kasper	Madison, WI	2016-07-02	I support our men and women in blue and the leadership of chief Koval. I wish the superintendent of schools in Madison would support and back the teachers of MMSD like Mike supports his officers.
Michael Hoefflerle	Oshkosh, WI	2016-07-02	Progressive Dane and Brenda Konkel.
Kimberly Kelly	Madison, WI	2016-07-02	The Mayor is not backing his police force therefore intensifying the problem. Officers can not perform the job they are hired to do and public safety may be compromised in the near future because of this. I wholeheartedly disagree with spending 4000,000 on a review of the police force, it's absurd to spend that amount of money when it could go towards many services needed in our community.
Mark Fox	Arlington, WI	2016-07-02	I don't live in Madison but my work requires me to be there almost daily. That should qualify me a voice in the safety of the city I have to work in.
Lori Ashmore	Madison, WI	2016-07-02	BLUE LIVES MATTER! Criminal lives DON'T matter!
Scott Freeman	Madison, WI	2016-07-02	I am signing to support our hardworking Madison police. Getting them body cameras would help reduce rumors in the future. Please refund the \$400,000 study & get body cameras.

Alan Gundlach	Madison, WI	2016-07-02	I believe Chief Koval and the MPD do an outstanding job. Neither receives the credit they deserve for their efforts. For those detractors out there - Be careful of what you wish for, you just might get it.

Cheryl Glomp	Madison, WI	2016-07-02	I'm signing because a small minority of people have cast MPD in a bad light. The police are damned if they do and damned if they don't. Where would we be without them!
Dan B	Madison, WI	2016-07-02	Koval is getting a bad rap. He's shown guts and honesty in the face of terribly misplaced anger.
Linda Williamson	Madison, WI	2016-07-02	I'm signing this petition because I do support the Madison Police Dept and Chief Koval and the difficult job they do every day. Thank You.
Samuel Ward	Madison, WI	2016-07-02	The citizens of the City of Madison are very fortunate to have a Police force and Chief of Police like the one in place! People should be afforded the entire story of any situation when asked to choose about something instead of just being given a very minute piece of a puzzle. Chief Michael Koval is one of the smartest and most genuinely caring people I have had the pleasure of meeting and knowing in my entire life! I stand with him proudly!!!
Sue Bridson	Madison, WI	2016-07-02	I have heard Chief Koval speak and I respect his experience and judgment.
Torger Mikkelsen	Waunakee, WI	2016-07-02	Mike for Mayor
Louise Meinholz	Middleton, WI	2016-07-02	I am signing as I too am tired of the media and the words they use to report a police involved shooting. Like with the Tiny Robinson case, I heard the headline statement officer murders an unarmed teen! The word murdered sent chills up my spine! He was not a helpless teen and from all reports he was drugged up and the strength a drugged up person has is a very volatile thing and hard to restrain them, so as being unarmed I take opposition to. This is just one of many instances where the media has made the police involved look bad. My first reaction is if they had not broke the law in the first place the police would not have been called. All of the instances the police had been summoned by some one for help. Our officers are brothers, sisters, fathers, mothers, sons, daughters who all want to go home to their families at the end of their watch. Thank God they have been able to so far, but if the city governmental orgs. don't stand by the wonderful police officers and chief Love all hell will break loose and we will have a Ferguson or Baltimore on our hands. Stand up for and behind our police dept. If we have some bad apples I'm sure the chief will take care of the situation. I see you officers and got your six.
Lois O'Neil	Madison, WI	2016-07-02	The recent actions & statements by some members our City Council were the last straw. To give Black Lives Matter the right to speak to the Council but refuse Chief Koval the same right was inexcusable. The same goes for the \$300,000-\$400,000 allotted to "investigate" our Police Department but voted down body cameras for the police. And now the actions of Progressive Dane are the last straw! The Madison City Council's actions are giving Madison a bad reputation. Somebody should sue the Council for damaging the good image that Madison has.
Scott Storck	Madison, WI	2016-07-02	Progressive policy is ruining another city.
Richard Tatman	Madison, WI	2016-07-02	Totally support Chief Koval.

Curtis Fairchild	Afton, WI	2016-07-02	I believe in the Madison PD
Ann Bailey	Madison, WI	2016-07-02	I am signing because I am sick of the way the police are being treated by are city council and Mayor they are not speaking for all of Madison just a liberal portion who seem to think they know what Madison wants!!!
Thomas Vandervest	Middleton, WI	2016-07-02	I support the Madison Police Department and Chief Koval because they are risking their lives on a daily basis to keep us safe. They deserve our support!
Mary Beth Arnold	Madison, WI	2016-07-02	The irrational behavior that is being put on Madison's amazing Chief of police and our wonderful police force. The people and leaders of Madison are "the racist" and it is because of them, our city is changing for the worst. Wake up Madison, before we lose our best and finest!
Thuy Pham-Remmele	Madison, WI	2016-07-02	I do respect & support MPD. I obey the laws, admire people in uniform ho put their lives on the line of duty to protect safety for all members of our community. I do not see any need to stir up racial issues here. EVERYONE should respect the law indiscriminately. Madison must not use any double standard.
David Remmele	Madison, WI	2016-07-02	If you want respect from Police, show respect to Police
Tom Williams	McFarland, WI	2016-07-02	Mike Koval is doing a great job
dan hudkins	Madison, WI	2016-07-02	I want our police to know their community supports them.
Bryan Wierwill	Verona, WI	2016-07-02	I have worked in Madison since 1978 and lived there most of the time.
Ramona Weakland Warden	Madison, WI	2016-07-02	Chief Koval is doing a great job and the City Council needs to grow up and recognize that law enforcement is to be respected.
Peter Felknor	Deerfield, WI	2016-07-02	I have lived in cities where the police take an end-run around civil rights. Madison is not one of them. Be reasonably accommodating to the police here, and they will accommodate you. The MPD and Chief Koval are models of good police work. They do not deserve to be torn down.
Jane Boyer	Madison, WI	2016-07-02	He's doing what he needs to do. And I've never seen such biased print media...I'd hate to call it "journalism"
Becky Jackson	Cross Plains, WI	2016-07-02	I stand with the MPD. That means my sister & her husband and so many more I know that have worn and still wear their uniform proudly and with great pride.
Kimberly Fenne	Madison, WI	2016-07-02	I support madison police department and chief Koval. They have a tough job and are grossly under appreciated. Thanks MPD for all you do.
Lisa Van Buskirk	Madison, WI	2016-07-03	The Madison Police Department, and Chief Koval are great. Clearly, the people harassing him have never lived anywhere else.
Amanda Meier	Verona, WI	2016-07-03	I am sick of seeing the Madison Police department not being supported. Period.
Matthew Mills	Evansville, WI	2016-07-03	I have never had a bad run in with the Madison police department. They are professional while doing their job. And I'm a firefighter. I respect my brothers in blue.
Chris Josheff	Waterloo, WI	2016-07-03	The chief is not like any other. He cares. He cares about the city, the people, and his troops! He is very open, more than I've ever experienced. MPD is an awesome department unlike many other larger city PDs. I support MPD, the many wonderful officers that keep the city safe! Stop the attack on MPD and her chief!

Keith Yefchak	Madison, WI	2016-07-03	MPD does a great job restoring and keeping order on a daily basis. This daily task continues to get more demanding and challenging but Chief Koval and his team continue to excel. MPD works for all law abiding Madison citizens and not just for those who feel offended.
Joe Olig	Madison, WI	2016-07-03	I'm a life long resident of Madison. My family and the Koval family have known each other for over 40 years. Mike Koval has a law degree, and has been an FBI agent. Most of all the officers under Chief Koval's command were trained by him.
Mark Landgraf	Madison, WI	2016-07-03	We are lucky to have Chief Koval and he and the Madison Police Department deserve our support.
Kim Richman	Madison, WI	2016-07-03	The vast MAJORITY of Madisonians support the MPD and Chief Koval. We WILL NOT let a few leftists make it sound like the city is against him.
Linda bridwell	Oregon, WI	2016-07-03	Mike Koval is a class act and he cares more about Madison than anyone I know!
Jeff Johnson	Portage, WI	2016-07-03	I feel the police are getting a raw deal. If people did what the police tell them to do, they wouldn't get thrown on the ground or shot with the taser
Scott Tarran	Oregon, WI	2016-07-03	They do their job well and I believe the measurements and transparency that is already in place is sufficient. I will not be swayed by the media that cops are bad. They do a tough job and many of the people they must deal with are not rule followers or respectful. If you resist arrest, stand by to be subdued according to normal procedures. Have we all not been watching cops on TV for the last 15 years? Nothing has changed...
Melinda Huitt	Mount Horeb, WI	2016-07-03	This attacking of the MPD is absolutely wrong, unjustified and sad. Support our troops at home.

Dalon Coenen	Evansville, WI	2016-07-03	If these protesters had a half a brain, they wouldn't be protesting. People need to respect the police force. And not resist arrest! Then they woundnt find them selves in a controversial situation! I'm sooo tired of them playing this racial card!!!!!!
Stuart Herro	Madison, WI	2016-07-03	I believe Chief Koval is a wonderful, committed public servant who deserves our support at this time.
Teresa Brown	Waupun, WI	2016-07-03	I believe our officers have a very dangerous job right now in this community and the leaders are making it even more difficult for them to do their jobs. Our media continues to make every occurrence a race issue instead of holding individuals accountable for their irrational behaviors. They no longer report facts they report race. Respect is a two way street that is only going one way right now. It's time to stop allowing people to behave any way they want with no regard for authority.
rod shaughnessy	Madison, WI	2016-07-03	Police work is difficult enough without having those being served unwilling to offer their support.

Joseph Keyes	Madison, WI	2016-07-03	As Mayor Soglin stated that trust is a two way street. There needs to be public education as to how to respond to police orders.
Liz Dannenbaum	Madison, WI	2016-07-03	The MPD are terrific: thoughtful, caring, and brave.
Diane Panke	Madison, WI	2016-07-03	All of law enforcement is essential for the safety and protection of our city. We should ALL be proud of the excellent care provided by the MPD.

City Council: We can do 2 things at a time here! It's sad that no one defends him from being called a murderer and racist.
tom hein3	Madison, WI	2016-07-04	I've lived here for 73 years and I know we have an excellent police department. I am upset with our civic and political leaders who are manipulated by a small vocal minority. This distracts everyone from dealing with equal justice, gang and poverty issues dispassionately. Wake up Madison

Jolene Putman	Muscoda, WI	2016-07-04	I support the Madison police department.
Gregory Smith	McFarland, WI	2016-07-04	People have to understand that it is a crime to resist or obstruct an officer. Submit to the arrest, make bail, get out, get a lawyer. No one gets hurt.
Matthew Ida	Madison, WI	2016-07-04	I'm a Madison progressive who is proud of the work our amazing police department does every day. I am thankful we have the men and women currently in our PD - keep up the great (and often difficult) work!
Benjamin Hoffman	Madison, WI	2016-07-04	Chief Koval works hard to protect every resident of this community. Being a police officer has to be the most dangerous now. No respect, illegal guns and the news media putting officers lives in extreme danger. We are lucky to have Chief Koval and the great police department he heads.

Sara Klebig	Madison, WI	2016-07-05	Every officer took an oath to protect and serve their community, and that is what they are trying to do to the best of their abilities thanks to the leadership of Chief Koval. As citizens of this community it is our duty to support and respect our Police Department to the best of our abilities. We must come together for the sake of the future of this community. Rod Tippery	Madison, WI	2016-07-05	Madison Police are doing a great job and too many special interest groups are getting special treatment and complaining about police brutality - even in the face of strong evidence there was not police brutality. Tired of this! They are doing a good job!! I've been a resident since 1978 and they are trying their best to do their job in a special interest created hostile work environment for them. And a couple weeks ago the mayor threw them under the bus after the "non-arrest" at east towne. They did the right thing subduing an uncooperative criminal with a knife.
Kristin Baney	Columbus, WI	2016-07-05	I am an MPD wife. I am also privileged to know, love, and respect many others within the department. Every last individual that I have known within the department has possessed exemplary character, integrity, and professionalism. Some of them I am blessed to call very dear friends. For the work they do each and every day, I support them and appreciate their efforts! Words cannot convey the amount of respect they deserve.

M. Gaye Stantis	Madison, WI	2016-07-05	I'm a lifelong Madisonian. I'm disgusted for the disregard of this large amount of taxpayer money for an unnecessary study of a commendable police department. I'm proud of our MPD and support Chief Koval for their efforts to make Madison safer and engage youth in that quest. My neighborhood on the westside has been inundated with citizens who commit crimes, disrespect property, peace, community, and our police department, and yet we've been told to tolerate it by our clueless Council. The council & mayor should take a look in the mirror and start with a study of themselves because they're ruining this city with their baseless attack on our police and tolerance of people who lack personal accountability.
Liz Lauer	Madison, WI	2016-07-05	I believe the 400k could be spent in a better way to improve the community. Police have been facing a lot of more brutal violence and as citizens we need to understand we all play a role in our community to make it a safer place. I do think getting back to two cops in a squad car, something that was changed around '04 (?) would help in facing criminals and not having such fatal experiences. We all can do better to protect and serve our neighborhoods.

David Flakne	Madison, WI	2016-07-06	The city council has other more important things to spend money on. Darlene Kohn	Waunakee, WI	2016-07-08	I'm signing this petition because I listen to the scanner daily and realize the strength our men and women in blue have every day just to go to work. They leave their families and never know what type of situations they will be thrust into. The spineless city council has no idea their lack of support has on the moral of the MPD and how much support it fuels the hate. Chief Koval is the best chief we've had and he is right not to back down in his words on their lack of support for his Department. At one council meeting they should be required to listen to the scanner for the entire meeting and maybe they will see how professionally this Department acts in every situation they are given.

Josh Larson	Madison, WI	2016-07-09	I respect and appreciate the fine work the women and men of the Madison Police Department do for our community. It is a shame that an ignorant and under-educated few can draw so much attention to a non-existent problem. Keep up the excellent work and hold your heads high MPD! Chief Koval is an amazing leader. I am grateful Couper is long gone. He should stick to the pulpit and stay away from the media.
ken russell	Madison, WI	2016-07-09	Police Chief Koval is what the city of Madison needs at these troubling times.
Jeff Capps	Madison, WI	2016-07-09	We need to support the officers that are trying to keep the peace and protect us rather than encouraging the criminals that don't care who they hurt. I understand that officers aren't perfect, but maybe it's time that we stop wasting tax payers money and start investing that money into training and non lethal equipment for our officers.
Terri Fleck	Madison, WI	2016-07-09	Our police officers lay their lives on the line every time they put their uniform on. We need them to know they are appreciated and supported.
Jonathan Glasgow	Madison, WI	2016-07-09	It's the right thing to do.
ANN MESICH	Oconomowoc, WI	2016-07-09	My nephew is a police officer!
Philip Van Styn	Madison, WI	2016-07-10	I believe the use of force by Madison police has been appropriate.
william meyer	Madison, WI	2016-07-10	We have a great police department and they are having a tough time now that they don't deserve.
Julie Barezinsky	Eastman, WI	2016-07-10	Having spent 40+ years in law enforcement, I feel privileged to respond to this thread. I worked for 3 different organizations (30 yrs with Madison PD) and 6 different Chiefs/Marshals/leaders. Mike (Chief) Koval is far and away, the best of the pack! He is intelligent, articulate, experienced, compassionate, & just a "top notch" leader! I've spent time with him in tense 'SWAT' situations, and no one could have been better. Support MPD & Chief Koval Respectfully, Bob Morgan Eastman, WI
Jill Cerniglia	Madison, WI	2016-07-10	Onice a police family always a police family. God bless each & everyone of you ( us.)
Roberta Briggs	Ridgeway, WI	2016-07-10	My father and grandfather were Madison Police officers.
Dennis Lytle	Madison, WI	2016-07-11	Because it's the right thing to DO.
Michael Wroblewski	Milwaukee, WI	2016-07-11	I am tired of politically motivated liberals using BS to further erode our police departments and slander those who protect US
Bryce Eberfeld	Osseo, MN	2016-07-11	I support and believe everything he stands for.
Ann McCullough	Madison, WI	2016-07-11	They aren't perfect, but they sure are trying to do it right.
David Kinney	Madison, WI	2016-07-11	I find it very discouraging when anyone who breaks the law is given a free ride by the media and a few misguided individuals. True healing for our community will begin when people begin taking responsibility for their actions, and others refrain from knee-jerk questioning of authority. Making a judgment on the spot without even attempting to get all the facts is the true basis for the difficulties we are experiencing in our community. All we need to do is keep our mouths shut until all the facts are known, and then hold each person responsible for their actions.

Richard Dye	Madison, WI	2016-07-11	I trust the Madison Police Dept and I am tired of listening to a few, who think they speak for the most. If the ones getting in trouble stopped, then there wouldn't be a problem.
Deacon Todd Martin	Madison, WI	2016-07-11	Please don't waste the \$400K on this study
Gerrie ODonahue	Madison, WI	2016-07-11	Wwe need police for ongoing order In our homes and citiesThey give us a feeling of security.
Gary Olson	Madison, WI	2016-07-11	I'm signing because of all of the listed reasons!
Patrick Corcoran	Madison, WI	2016-07-11	Chief Koval is a good man who does an extremely difficult job very well. Our police dept is one to be proud of. Mayor Soglin and the common council need to be aware there is a silent majority who strongly support the MPD. The vocal minority demanding a change, is just that, the minority.
Jacqueline Shimko	Madison, WI	2016-07-11	I respect all Police, Madison specifically because they do a dangerous job on our behalf with as much compassion and restraint as possible.
Lucien Simpson	Torrington, CT	2016-07-11	I support our Police
Charles Phelan	Madison, WI	2016-07-11	I think the police need the people's support.
Melissa Mikuski	Madison, WI	2016-07-11	We need the dedication and protection from our fine men & women serving our communities...they deserve to be safe on the job.

Lois and Bruce Ehlke Ehlke	Madison, WI	2016-07-12	Our police department defends and protects us and puts their lives on the line in order to do this.
Bill Haight	Madison, WI	2016-07-12	I have a great admiration for our Police Department
Jack Cox	Middleton, WI	2016-07-12	Political correctness has gone too far. People need to be accountable for their own behavior and respectful of societal rules
Chris Lawn	Verona, WI	2016-07-12	I wholly support our men & women in uniform, and wish to see respect for police preserved & restored.
Marvin Wright	Las Vegas, NV	2016-07-12	we need police officers to hold back the criminals from decent people who work. and contribute to society
William Fleck	Madison, WI	2016-07-12	I believe that the police are being wrongly blamed, if "victims" had listened to them they would be alive today or the incident would have been defused
Vanessa Briese	Whitewater, WI	2016-07-12	I used to live in Madison.
