Subject: ALRC Agenda item 17 -- Alder recommendation

Dear ALRC members,

I recommend referral to your next meeting of the license for Lalos Restaurant, 5510 University Avenue.

I have many concerns that have not been addressed.

- The applicant has not contacted me nor the MPD West District Captain nor the Spring Harbor Neighborhood Association
- The applicant did not hold an informational meeting
- I do not support 3 hours of operation as a tavern only (kitchen closed) between 10pm and 1am on Friday and Saturday nights
- The applicant did not supply any security plan
- The applicant seems to have limited to no management experience
- A media story on Monday described a different ownership structure than is described on the application

These concerns may be resolvable, but until I've had an opportunity to discuss them with the applicant, I do not support the license.

Thank you,

Mark C.
