Re: Infusion Chocolates Conditional Use Application  
Date: October 24, 2015

---

Thank you for your attention to the request for a conditional use permit at 2503 Monroe Street. I encourage you to support this request for limited production and processing and outdoor seating, with the staff recommended conditions.

We held a neighborhood meeting with the owner and staff from Infusion Chocolates on Wednesday, July 6. The discussion was very positive and Dudgeon Monroe Neighborhood Association Council members decided to support this application. I further received many emails in support from neighbors.

As a representative for this neighborhood, I'm pleased to say we look forward to welcoming this new business.

Please do not hesitate to reach-out to me directly with any questions. I will not be able to attend your meeting to speak in-person, as I have a conflicting meeting.
