We, the undersigned residents of the Dunn's Marsh Neighborhood, oppose granting a liquor license for the property at 4217 West Beltline Hwy (The former Zimmer's Liquor). We oppose having a liquor store for 2 main reasons: (1) The problem of patrons of the store drinking to excess and passing out on nearby neighbor's yards, and (2) The fact that many patrons throw their empties all along the beltline and Verona Frontage road, nearby streets, and even Marlborough Park which is 4 blocks away. We prefer a business that is more family friendly."

PETITION TO THE MADISON ALCOHOL LICENSE REVIEW BOARD AND MADISON CITY ALDERS

We, the undersigned residents of the Dunn's Marsh Neighborhood, oppose granting a liquor license to East Washington Liquor, Inc, dba Rocky's Liquor West, for the property at 4217 West Beltline Highway (now operating as Zimmer's Liquors).

We oppose having a liquor store for several reasons:

- (1) Some patrons of the store drink to excess and pass out on nearby neighbor's yards,
- (2) Many patrons throw their empties all along the Beltline and Verona Frontage Road and nearby streets, creating a constant litter problem,
- (3) Other patrons carry their alcohol goods into Marlborough Park which is 4 blocks away and throw their empties there,
- (4) This neighborhood is a challenged area with some other drug problems and occasional gunshots and gun violence. Alcohol and guns don't mix.

Regardless of the owner, most, if not all of these problems will persist since they happen off the premises of the store. We prefer a business that is more family friendly.
