Subject: Your Appeal Has Been Accepted

Matthew and Joshua,

Your appeal has been accepted and will be heard at the next VOC meeting on Wednesday, November 30, 2016, 5 p.m. at the Central Library, 201 W. Mifflin Street, Meeting Room 301.

The issues will be limited to “food review score computation error, error in measurement or in the calculation of the applicant’s seniority or number of health and vending violations” as set forth in Section V.G. of the Regulations Governing Street Vending on the State Street Mall/Capitol Concourse which reads as follows:

“G. An applicant may appeal to the VOC from the determination of the Director of Planning and Development, or designee, made pursuant to Section IV.A. above **solely on the grounds of food review score computation error, error in measurement or in the calculation of the applicant's seniority or number of health or vending violations**, provided that such appeal must be made prior to site assignment. Site assignment once made by the VOC shall be final and not subject to review or appeal under chapter 9 of the Madison General Ordinances or under these regulations.”

A full copy of the Regulations can be found here:

At the VOC meeting, you will have a chance to explain why you believe an error was made. City staff will have the opportunity to respond and the VOC will make a decision, before your site assignment is final. Regular limits on public speaking will apply but may be waived at the discretion of the chair. Once the site assignments are final they are not subject to review or appeal under Chapter 9 of the Madison General Ordinances or under the Regulations. (Mall/Concourse Regulations, Sec. V.G.)
