Hi Caleb I understand you and your partner own the Tiki Shack and the establishment is getting audited for food/alcohol ratios that may put you in violation of license conditions for 5 of 12 months of the last year. The Finance audit suggests you may be under reporting alcohol sales because of drink promotions, eg free corona with purchase of food, but they would need to do more research.

This raises concerns for me re Hail Mary Sports Grill and at this point I can't support your license without more explanation.

Greetings Caleb Daniel Mijal, Alex Theo, and Mrs. Percevecz

Thank you for meeting with First Settlement District neighborhood homeowners/residents on Monday, this week.

I think I can safely say we all appreciated your openness and expressed desire to set up a business that will respect and build our community. We want to see you succeed in all the ways that make Madison and First Settlement a better place.

We also appreciated your generosity offering to make meeting space available to neighborhood meetings from time to time.

It's fair to say, I think, that we always approach liquor licensing with a certain degree of apprehension. With that in mind I request that once you're open we set up a six-month set of regular monthly meetings at Hail Mary to keep in touch with how things are going for you and for us, your neighbors.

I encourage other neighbors receiving this email to weigh in with your thoughts.

Best Regards
