Heather, nice speaking with you and Tim this morning. On behalf of CUNA, I would request that the company's application for a CSM approval be referred tonight so the parties can continue our discussion regarding the City staff's recommendation to create outlots and the City's concerns regarding "A" Street. In this regard, CUNA hereby waives the requirement for the City to act on the CSM within 90 days of its submission so that the parties can continue their discussions.

Please let me know when might be a good time for all of us to get together and continue the discussions. Hopefully we can work through these two issues promptly. Thank you.
