INCENTIVE AGREEMENT TERMS & CONDITIONS

This Incentive Agreement is by and between Focus on Energy and the applicant ("Customer"). Chicago Bridge & Iron, Inc. is the Program Administrator for Focus on Energy ("Program Administrator") and bound by contract to Statewide Energy Efficiency and Renewable Administration, Inc. ("SEERA"). The Program Administrator, Focus on Energy and the Customer may be individually referred to herein as a "Party" and collectively as the "Parties."

ARTICLE 1: PROJECT TERM AND DESCRIPTION

The Term of this Agreement shall begin on the Approval Date as shown on the Agreement and shall run continuously through the Project Completion Deadline, unless extended or terminated pursuant to this Agreement or by mutual agreement of the parties. The energy savings project (the "Project") shall be as described on the Agreement and approved by Focus on Energy. The Project shall be implemented in accordance with the Agreement.

ARTICLE 2: PROJECT PAYMENTS

Focus on Energy shall direct the Focus on Energy Fiscal Agent to make payment in the amount set forth in the Agreement upon Focus on Energy's receipt and acceptance to the Focus on Energy's satisfaction of a Completion Notice and any other required project documentation as defined in Article 3 hereof. Focus on Energy shall be under no obligation to make any payments to the Customer if SEERA does not provide the funds to Focus on Energy for this purpose or if Focus on Energy is not under contract with SEERA for this purpose. Focus on Energy reserves the right to decrease incentive amounts if conditions change from the time of project approval to the time of project implementation. This includes but is not limited to project cost and project scope. Customer is only entitled to one payment per project measure. Should customer or its representative make duplicate application for payment of project measure, Focus on Energy reserves the right to recover any payments made in excess of the entitled project payment. Focus on Energy excludes internal, non-contracted labor for private companies or individuals when calculating the total project cost.

ARTICLE 3: MISREPRESENTATION

Making false statements on any Focus on Energy incentive application is punishable by law. Any person who knowingly files an application containing any materially false information or who purposely and misleadingly conceals information commits a fraudulent act and may be subjected to criminal and civil penalties. Any and all funds determined by Focus on Energy to have been acquired on the basis of fraudulent information must be returned to Focus on Energy. This article shall not limit other remedies that may be available for the filing of false or fraudulent applications. Customer shall be responsible for all costs incurred for collection of monies owed due to any misrepresentation or false statements.

ARTICLE 4: PROJECT IMPLEMENTATION

The Customer's procurement, installation and implementation ("Completion") of renewable and/or energy efficiency measures shall be accomplished in accordance with the requirements outlined in the approved Agreement. The Customer shall deliver to Focus on Energy a Completion Notice by the Project Completion Deadline noted in the Agreement. The Customer must provide invoices for equipment purchased or service performed as well as documentation that verifies that the renewable and/or energy efficiency measures, (i) have been properly installed, (ii) are functioning properly and (iii) have the potential to generate energy savings if properly maintained and operated. All projects are expected to comply with federal, state and local codes. All equipment must be new; used or rebuilt equipment is eligible only when pre-approved by Focus on Energy in writing. Displaced equipment must be removed and not reused. Equipment purchased under a capital lease structure may qualify for an incentive, but must be pre-approved by Focus on Energy in writing before project initiation or entering into the equipment lease.

Should Focus on Energy discover that the project was not implemented as attested to in the Completion Notice the Customer shall be in breach of the Agreement and subject to recovery of any incentive payment made by Focus on Energy. At the discretion of Focus on Energy, the Customer is liable to refund to Focus on Energy incentives received for this project if Focus on Energy determines that the customer has misrepresented information such as, but not limited to, eligibility or project information.

ARTICLE 5: RIGHT TO INSPECT

Focus on Energy and SEERA shall have the right to inspect any and all project records during the term of the Agreement and for a two-year period thereafter. Focus on Energy, and its designated representatives, shall have the right to observe and inspect all project work in any of the Customer's facilities at any reasonable time for a period of two (2) years from the incentive payment date. The Customer and its subcontractors shall maintain accurate records of the project work (e.g., installation records, invoices, and maintenance information) that is performed hereunder for a period of two (2) years from the date of incentive payment under this Agreement.

ARTICLE 6: MONITORING AND VERIFICATION

Focus on Energy, and its designated representatives, shall have the right to monitor energy use/production prior to and after installation of the project or to perform an inspection of the project to evaluate program efficacy for a period of two (2) years from the date of incentive payment under this Agreement.

ARTICLE 7: MANNER OF PERFORMANCE

The Customer shall perform its responsibilities under this Agreement in an efficient and expeditious manner and in accordance with all of the terms and provisions of this Agreement. The Customer shall strive to resolve differences in a respectful and fair manner. ARTICLE 8: REPRESENTATIONS/WARRANTY

Focus on Energy does not endorse any particular trade ally, manufacturer, product, system, or design by offering an incentive. Focus on Energy is not responsible for any tax liability imposed on the recipient as a result of the payment of incentives. Focus on Energy makes no representation or warranty, and assumes no liability with respect to the quality, safety, performance, or other aspect of any design, consulting, product, system, equipment, or appliance installed or received and expressly disclaims any such representations, warranties, and liability, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. Focus on Energy does not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings. Focus on Energy is not responsible for the proper disposal/recycling of any waste generated as a result of this project. Focus on Energy is not liable for any damages, including any incidental or consequential damages, arising out of the operation or malfunction of the products, equipment, or appliances, or the installation thereof.

ARTICLE 9: DEFAULT AND TERMINATION

- (1) Subject to Article 9(3), this Agreement shall remain in effect until the Project Completion Deadline as specified in Article 1 hereof unless a Party is in breach of any provision of this Agreement.
- (2) In the event that SEERA terminates, for any cause, Program Administrator's Contract with SEERA, which terminates Program Administrator's right to act as Program Administrator of the Focus on Energy Program, responsibility for this Agreement transfers to the new Program Administrator.
- (3) This Agreement may be terminated at Focus on Energy's sole discretion if Customer does not complete implementation of the project on or before the project Completion Deadline, unless the project Completion Date is extended by mutual written agreement of the Parties.

ARTICLE 10: INDEMNIFICATION AND DAMAGES

The Customer, the City of Madison, agrees to be responsible for all losses, damages, expenses, fees, costs and liability arising from the Customer's negligence in the performance of this Agreement, including those resulting from Customer's negligent design or consulting, or Customer's product(s), system(s), equipment, or appliance, to the extent allowed by law. The Customer agrees that such obligations under this Article shall survive any expiration or termination of this Agreement and shall not be limited by any enumeration herein of required insurance coverage. In so agreeing, the Customer does not waive the provisions of Wis. Stat. sec.893.80 or any other applicable immunity, protection or limitation of liability which may be afforded to municipalities by law.

To the maximum extent permitted by law, except for claims of property damage or bodily injury, including death, the Customer agrees to limit Focus on Energy's and Program Administrator's liability to the Customer for any reason to the total amount of the payments identified in this Agreement. This limitation shall apply regardless of the cause of action or legal theory pled or asserted. Customer hereby expressly waives the right to specifically enforce this Agreement. Under no circumstances shall Focus on Energy, Program Administrator, SEERA, the State of Wisconsin, and participating utilities be liable to Customer for any special, indirect, or consequential damages, however the same may be caused.

ARTICLE 11: PUBLICITY

The Customer shall not use Program Administrator's or SEERA's corporate name, logo, identity, any affiliation, or any related logo including the "Focus on Energy" name, logo, or identity, for any marketing, advertising or solicitation without prior written consent of Focus on Energy. Such written consent may be withheld in Focus on Energy's sole discretion. When referencing Focus on Energy involvement with any project, the Customer shall collaborate with Focus on Energy to prepare any press release and to plan for any news conference and agrees to provide Focus on Energy, for its written approval prior to publication, a written copy of any advertisements or promotional material regarding this program prior to publishing any such advertisements or promotional material. ARTICLE 12: REVIEW AND DISCLAIMER

Focus on Energy's execution of this Agreement and any review of the design, construction, operation, or maintenance of the project by Focus on Energy or any of its subcontractors shall not constitute any representation or warranty by Focus on Energy as to the economic or technical feasibility, operational capability or reliability of any renewable and/or energy efficiency measures or the capability or reliability of any market provider performing any work on the Project. The Customer shall in no way represent to any third party that Focus on Energy's execution of this Agreement or any reviews by Focus on Energy or its subcontractors, including, but not limited to, Focus on Energy or its subcontractors review of the design, construction, operation, or maintenance of the Project is a representation or warranty by Focus on Energy as to the economic or technical feasibility, operational capability or reliability of the renewable and/or energy efficiency measures or an endorsement of the contractor performing work on the Project. The Customer is solely responsible for the technical feasibility, operational capability and reliability of the renewable and/or energy efficiency measures.

ARTICLE 13: ACCEPTANCE

The Customer is required to acknowledge its understanding and acceptance of the terms and conditions of this Agreement by returning an executed copy of this Agreement to Focus on Energy at the address identified in this form on or before the Agreement Return Date. The remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance.
