

The following provides an illustration of what would be available at each fare level under the scenarios previously presented. Please note that while there was some discussion under the concept of a Premium fare to offer expanded services, they have been excluded from the information below. The intent is to address our current offerings rather than expand on them.

Scenario 1 – Status Quo

Basic Fare

- Cost
 - \$3.25 current fare
- Fare media
 - Cash or tickets
- Services included
 - ADA minimum
 - Origin-to-destination service (Door-to-door)
 - Same day trip modifications allowed
 - Subscription service
 - Unrestricted trip purpose
 - Unrestricted trip volume
 - No waiting list
 - Free fare for PCA or Companion
 - Accommodate PCA plus at least a single Companion that will not displace ADA eligible rider
 - Oversize wheelchairs accommodated

Agency Fare (*available only to Agencies with an agreement*)

- Cost
 - Negotiation for cost
- Fare Media
 - Tickets
- Services included
 - All Basic Fare services
 - Limited duration billing with conversion to ticket arrangement
