RE: 2013 Urban Water Quality Grant Application – Willow Creek Outfall

Dear Mr. Phillips:

I am pleased to inform you that the City of Madison's application for increased funding for an Urban Water Quality Grant to construct the Willow Creek outfall project has been approved. Dane County will reimburse the city up to \$750,000.

Attached are a grant agreement and reimbursement request form. Please sign the agreement form and return it to our office by December 30, 2016. To receive reimbursement, please fill out the attached reimbursement form, provide the requested information listed in the agreement, and invoice the Water Resource Engineering Division upon completion.

If you need any further assistance or have any other questions, please call me at 224-3747. Good luck with your project.

Sincerely,

Jeremy Balousek, P.E.
