Dear Resident,

On Sunday, June 25th 2017 I am assisting to produce the third annual Her Madison Half marathon and 5k. The event is focused on empowering women of all ages both as a running event as well as a fundraiser for Girls on the Run of South Central Wisconsin. Girls on the Run is a program designed to teach life skills, empowerment and self-confidence in pre-adolescent girls. The program culminates with the girls being physically and emotionally prepared to complete a celebratory 5k running event.

Although no public roads will be closed for this event, there will be sections southwest of Hildale mall and in Shorewood Hills that will have no parking posted on the day of the event and participants running in the "parking lane". The course maps for the 5k and 13.1 mile routes can be found here for reference <http://hermadisonhalf.com/event-info/courses/>

This was a tremendously successful event in its first year in 2015 and one we hope to continue to grow. This event has attracted national attention and drawing participants from 38+ states across the country, with an estimated \$1.5-million-dollar impact to our local economy. I ask that if you have any concerns to please direct them to me personally at cveoperations@gmail.com

For more information about the event, please feel free to visit <http://hermadisonhalf.com/>

I sincerely appreciate your support and feedback. We are incredibly excited to support Girls on the Run through this incredibly inspiring and uplifting event.

Sincerely,

Justin Pernitz
