Subject: Support for Klein Floral project

Kevin,

I'm writing to express Home Savings Bank's support of the Klein Floral expansion/renovation project. Home Savings Bank has owned and operated a bank facility immediately adjacent to Klein Floral for the past eleven years. The bank and Klein Floral have operated our businesses as supportive neighbors during that time. The bank believes the Klein Floral project is consistent with and complimentary to surrounding business uses. We encourage approval of their project.

We will be happy to provide any additional information that will be helpful to the approval process for the Klein Floral; questions and information requests can be sent to me directly.

Subject: Kleins Floral & Greenhouse vote

Let me preface my remarks by saying I have been a seasonal employee at Kleins for the last 10 springs. So I do come with a bias. But I can, without any question, say that the whole Klein family, the phenomenal full-time staff, and the ancillart staff have, for over a century, provided ctting-edge products and excellent customer service.

But we need your help in continuing this long-standing tradition of quality and service. 100+ years takes its toll on a building and it's ability to meet the challenges of the future. Hopefully, with your approval, Kleins can move forward with its endeavor to remodel the facilities for the greater good of the family/busines, the city s and the customers who are part of the larger "Kleins family." Thank you for your consideration.
