**Body**

WHEREAS, the City of Madison Common Council designated \$400,000 in the 2017 budget in order to strategically reduce violence in our community through implementing the evidence based practice of peer support programming; and

WHEREAS, this peer support programming is a component of the community led 15-point plan to reduce violence and recidivism that was presented to the city; and

WHEREAS, the Community Development Division is developing a request for proposals to have service providers contracted for these adopted Peer Support efforts in Fall 2017; and

WHEREAS, violence, effects of violence, threats of violence, and trauma in our community need to be responded to with appropriate urgency as a critical public safety and public health concern; and

WHEREAS, it has been demonstrated that individuals and families who are threatened by gun violence, witness gun violence, or are impacted by gun violence, can benefit from the immediate availability of peer support assistance that assists in de-escalating conflict and stabilizing individuals as well as households during or following a traumatic event;

NOW, THEREFORE, BE IT RESOLVED, that the Common Council transfers \$50,000 from existing purchase of services appropriations budgeted for peer support, to short term peer support and crisis response services to address the needs of families impacted by violence; and

BE IT FURTHER RESOLVED that the City will enter into a \$50,000 Purchase of Service Contract with Nehemiah Community Development Corporation to formalize and implement peer support services and crisis response for the purposes described above; and

BE IT FURTHER RESOLVED that as a condition of the contract with Nehemiah Community Development Corporation (Nehemiah), it is understood that Nehemiah will enter into a

subcontract with the Focused Interruption Coalition (FIC) through their fiscal agent, the Boys and Girls Club of Dane County, Inc., to subcontract with no payment made to Nehemiah until an MOU between Nehemiah and FIC (through their fiscal agent) is signed and accepted by the city; and

BE IT FURTHER RESOLVED that the Common Council finds that the contract(s) authorized by this resolution for the described activities may be done through sole source arrangement pursuant to the public exigency exception and Council determination under MGO sec. 4.26(4) (a)1 and 9, and authorizes the Mayor and the City Clerk to execute such contract; and

BE IT FINALLY RESOLVED that the Community Development Division, at the completion of such contract(s), will report to the Mayor and Common Council on the use of funds allocated, including services performed under the contract(s) and any relevant measurable outcomes.
