**Date:** Saturday, August 12, 2017 5:54:28 PM

---

Dear ALR committee,

I don't see why the Edgewater should be able to run all these loud and disruptive events adjacent to a residential neighborhood. This is not a normal part of the hotel business, and there are much more appropriate venues available, such as the Union Terrace, Warner Park, or Breese Stevens.

I'm sorry I can't come to your meeting in person, but please accept this note.

Yours truly,  
Dan McCammon
