Regarding Monroe Street Assessment- 2018

In reviewing the published schedule of assessments, the residents of Monroe Commons, 1802 Monroe St., note that the city parking lot at 1701 Monroe St., Wingra Lot, has an assessed amount listed, \$19,180. However, the city parking lot at 1802 Monroe St., Monroe Commons Parking, is assessed \$0.00. We at Monroe Commons believe that the city parking lot at 1802 Monroe St. should share in the assessment for the improvements to Monroe St. on the north side between Spooner and Harrison Streets, proportionately with Monroe Commons and with Trader Joe's.

Thank you for your consideration,
