Prepared By: Amy L. Scanlon, Preservation Planner, Planning Division
Date Prepared: September 29, 2017

Summary

Project Applicant/Contact: Ryan Reda

Requested Action: The Applicant is requesting that the Landmarks Commission approve a Certificate of Appropriateness for an exterior alteration which involves installing skylights and altering the roof form.

The Applicant came before the Landmarks Commission on September 18, 2017 to review the roof proposal for 719 Jenifer. At that time, the Landmarks Commission referred the item to the October 2 meeting to allow the Applicant more time to address Landmarks Commission concerns. The Applicant is not able to review a revised request with the Landmarks Commission at this time and requests that the item be referred to the October 16 meeting.
