

NOTES FOR BASIS OF EXISTING R/W

The existing right-of-way of Hoepker Road was determined based upon:

- 1) Dane County Highway Road Book, Town of Burke, Page 8 specified a 3 rod (49.5') wide road centered on the north line of Section 16.
- 2) Dane County Highway Dept. has provided an unrecorded document conveying, to the Town of Burke, 8 feet 3 inches (8.25') on each side of Hoepker Road to create a 66' wide public road dated June 8, 1948.
- 3) A right-of-way was monumented at a location other than the records described above per David R. Cheney, Map 649A on Feb 16, 1964; Alex Ely, Map 1678 on Aug 11, 1955 and Daniel Birrenkott, Survey 2015-00148 (Dane Co. Surveyor's Office). These surveys show a section line and right-of-way contrary to the above public records.
