To: Property Owners along New Street Connection between Darbo Drive and Webb Avenue

Re: Project 10234 Proposed Street Reconstruction Project & Public Hearing

As you are aware, the City of Madison is proposing to construct a new street connecting Darbo Drive to Webb Avenue in 2018. Enclosed with this letter is a fact sheet with some details on the proposed project along with a notification for the Public Hearing before the Board of Public Works. The date, time and location of the public hearing can be found on the notification.

This project will involve special assessments to the owners of property adjacent to the project. The property owners will be assessed for various items included with this proposed project. The costs of some items are shared between the property owner and the City, while other costs are assessed entirely to the property owner. A table detailing the City's standard assessment policy for these items is included in the fact sheet.

Also enclosed is a Schedule of Assessments, which shows the property owner's share of estimated costs for each property adjacent to the project. After the work is complete, a final assessment will be calculated based on bid prices and work actually performed. The final assessment, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with 3.0% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities, or if you have any other questions regarding this project, please contact the Project Engineer. This includes requests relating to the Public Hearing and also requests relating to the actual operations of construction. A list of contacts for this project can be found on the enclosed fact sheet.

Sincerely,

Robert F. Phillips, P.E.
City Engineer

NOTICE OF PUBLIC HEARING
BEFORE THE BOARD OF PUBLIC WORKS
FOR
PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS
FOR
PUBLIC WORKS IMPROVEMENTS
MADISON, WISCONSIN

PART I

The Common Council of the City of Madison, Wisconsin, having heretofore decided that it is expedient and necessary that the improvements as listed in Part II hereof be improved at the expense of the property thereby on which would be conferred some special benefit.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN:

That the City Engineer has prepared plans, specifications, a proposed schedule of assessments, and an estimate of the entire costs of the improvement for each of the districts listed in Part II hereof, and;

That the plans, specifications, a proposed schedule of assessments, and an estimate of the entire cost of the improvements listed hereto are available and open to inspection by all interested persons in the office of the City Engineer, Room 115, City-County Building, 210 Martin Luther King Jr. Blvd., between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday, and will so continue to be for ten (10) working days from the first published date of this notice, and;

That on WEDNESDAY, FEBRUARY 7, 2018 AT 5:30 P.M., the Board of Public Works will hold a public hearing in ROOM 108 (PARKS CONFERENCE ROOM) OF THE CITY COUNTY BUILDING and will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard, and;

That special assessments may be paid over an eight (8) year period, with the owner paying 1/8 of the principal each year plus three (3%) percent interest on the unpaid balance, as determined by the Board of Public Works.

That if the total assessment is paid in full before October 31st in the year that the billing is made, irrespective of project completion, then no interest shall be charged.

If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751 or email us at engineering@cityofmadison.com. Please make contact at least 24 hours prior to the date of this public hearing so that we can make proper accommodations.

PART II

DARBO DRIVE TO WEBB AVENUE NEW STREET CONNECTION ASSESSMENT DISTRICT – 2018

SCHENK STREET AND RICHARD STREET RESURFACING WITH UTILITIES ASSESSMENT DISTRICT – 2018

N. BLACKHAWK AVENUE, BRUCE COURT AND HEATHER CREST RESURFACING WITH UTILITIES

EMERSON STREET AND LOWELL STREET RECONSTRUCTION ASSESSMENT DISTRICT - 2018

By Order of the Board of Public Works
Madison, Wisconsin

PUB: WSJ JANUARY 26, 2018

Fact and Details Sheet

Proposed Darbo Drive to Webb Avenue New Street Connection Assessment District - 2018 Project 53W1867 Munis 10234

Project Details – Proposed Work

Sanitary Sewer: No work proposed.

Water Main: No work proposed.

Storm Sewer: Replace the existing twin 48" diameter storm sewer pipes, which run near the southeastern property line of 3002 Darbo Drive, 3059 E. Washington, and 3077 E. Washington, with a new 8' x 4' box culvert along the same alignment. New storm sewer will be installed to drain the new street, and private connections to the new storm sewer and box culvert will be completed (*private connections assessable*).

Stormwater Management: A new bioretention area will be constructed, to the west of the south end of the new road, to treat stormwater.

Street: A 32-ft wide new asphalt street, with concrete curb and gutter, will be constructed, connecting Darbo Drive to Webb Avenue (*curb and gutter assessable*).

Sidewalk: No sidewalk will be installed along the new street with the project. New sidewalk will be installed within the existing Right-of-Way along the Webb Avenue frontage of 3023 Webb Avenue (*sidewalk assessable*).

Street Lights: Install street lighting (approximately 3 new lights) along the new road (*street lighting assessable*).

Bike Path Crossing: A raised crossing will be installed at the existing bike path crossing (located just east of the bridge crossing of Starkweather Creek). New storm sewer inlets will be installed to maintain proper drainage.

Trees: Four existing trees, (two located west of the parking lot at 3023 Webb Ave; and two located along the terrace area of Webb Avenue) will need to be removed to construct the new street, as well as the new sidewalk along Webb Avenue. The existing shrubbery between the parking lot at 3023 Webb Avenue and the curb along Webb Avenue, will need to be removed.

Project Website: Updates will be posted here:
<http://www.cityofmadison.com/engineering/projects/darbo-drive-to-webb-avenue-connection>

Construction Schedule & Impacts

Tentative Schedule: June 2018 – Sept 2018

Traffic Impacts: Darbo Drive and Webb Avenue will remain open to local traffic, with some limited parking removal and limited closures during utility crossings.

Supplemental Forestry Info

Tree pruning in advance of the project may be required to reduce the risk of damage to the trees during construction. The City of Madison Forestry Section will perform the necessary work. If additional trees need to be removed, City Forestry or City Engineering will notify the adjacent property owner prior to removal.

For any questions regarding street tree maintenance or planting, please contact Marla Eddy of City Forestry at 266-4450.
