Marsha,

It appears that 308 S Paterson property is included in the Conditional Use granted to the Wisco in 1991 and therefore any improvements to 308 will require an Alteration to an Approved Conditional Use.

You are certainly aware of the project but you have not been notified specifically that it was for an Alteration for the simple fact neither we or staff did know. We have submitted the application but need you to waive the 30 day notice.

Would you please waive the notice and copy
