

## **A new Madison bar experience for nerds of all kinds.**

### **Our Mission**

We aim to bring multiplayer gaming back into the public eye, with a fun arcade environment for people to combine their appreciation of craft beer and video games in a social atmosphere. We plan to provide over 25 arcade cabinets, 8 pinball machines, and a large library of board games so everyone has something to play.

### **Our Clientele**

Our target market is casual gamers of all kinds, college students, young professionals, and competitive gamers. We want to be an inclusive space and share the joy of gaming with everyone.

### **Our Location**

At 720 Williamson St, we're right in the heart of downtown and within walking, biking, bussing, and driving distance for all of our customers. It offers 3,100 square feet of historic warehouse space.

### **What We Offer**

We plan to provide a variety of tap beers and quality liquors at our bar, and a selection of regularly rotating games in our cabinets to keep the experience fresh.

We will also offer basic bar food like pizzas, pretzels, popcorn, and chips. Games run on quarters and tokens, which can be purchased at the bar.

### **Our Operations**

I/O will be open in the evening Monday-Thursday from 4:00PM to bar time. Friday-Sunday we will open at 11:00AM and stay open until bar time. One Sunday a month will be an all-ages day until 9:00PM.

I/O hopes to open Spring of 2018.
