To: Madison Alcohol License Review Committee

Re: Maria's at 1444 E. Washington Ave.

Jack Chandler appeared before the Tenney-Lapham Neighborhood Association (TLNA) council on February 8 to request support for change of condition on for alcohol and entertainment. He has an art and music venue at 1444 E. East Washington Street. They hold art events, including visual, spoken word, and music, serving beers for the events. Jack requested support for a later ending time for entertainment and for closing.

The TLNA Council voted to support the Jack Chandler's request for a change of condition and at Maria's. We support a closing at 2:00 AM for alcohol and at 1:00 AM for entertainment. We appreciate the continuing conversation with Jack as his business takes hold.

If you have any questions or if I can provide any additional information, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Patty Prime". The signature is fluid and cursive, with a large initial "P" and a long, sweeping underline.

Patty Prime, president

TLNA President
