Dear Jim Verbick,

I am a 5 year resident of the Willy/Marquette neighborhood, and I would like to write to you in support of the liquor license application for I/O Arcade Bar at 720 Williamson Street. I have read the application and attended the MNA meeting and feel this would be a positive addition to my neighborhood. In my experience at arcade bars in Seattle, LA, and NYC, I have found that the typical clientele of these types of establishments are people like me and my friends, who enjoy games and alcohol **in moderation**, and do not go there to get drunk and cause a scene. I, personally, would love to have a place like I/O Arcade Bar in walking distance to my house on Spaight St., so that I can walk or bike there after work and have a beer while I play some pinball.

Thank you,

Arune Brekke
