**What impact do you anticipate your event will have on the residents/businesses in the areas surrounding the park? Consider things such as noise, parking, traffic, etc. What plans do you have to minimize these impacts?**

The impacts I'd like to address are noise, parking, and road closure. For the noise (music/movie), I will work with the A/V company (Full Compass) to make sure we do not exceed the sound limit as specified on page 14. For parking, I am planning on contacting local businesses and seeing if we would be able to use their parking lots. And lastly for road closure, I would like close S Ingersoll St so we could run power from the restroom facility.

**Provide Detailed Event Site Map (feel free to provide this map as a separate attachment):**
