Commission Members:

At its meeting of April 16, the Board of the Marquette Neighborhood Association voted to support the application for a full liquor license for I/O Arcade Bar with the following conditions:

- A. 155 person capacity;
- B. Sun-Wed closure at 11pm, Thu closure at midnight, Fri and Sat closure at bar time;
- C. An alcohol/food/game ratio of 75/15/10;
- D. A plan to manage on-site smoking;
- E. A minimum of 25 games be available in the site to ensure the space remain active as an arcade rather than transforming into a large bar only;
- F. There is to be a commitment to provide eight hours (minimum) per month of non-alcohol as a benefit to the broader community;
- G. The conditional use is not transferable beyond the existing owner's use;
- H. The MNA Board's recommendation is based on these conditionals being incorporated into the business proposal by the time of the Board meeting, Monday, 4/16. (These were satisfied with the smoking area designation email from Mitchell Turino, April 18, 10:34 a.m.).

It is the board's understanding that the applicant has agreed to these conditions. Thank you for your consideration when deliberating this application.

Sincerely,

Lynn Lee, President Marquette neighborhood Association
