Problem: Perception of Hip-Hop as violent

Why?

Lack of education/understanding – misinterpretation

- Why?
 Deliberate media bias
- Why?
 Stories are sold not told
- Why?
 Members of media lack understanding of culture which affects how police view Hip-Hop
- Why?
 Many reporters/editors are white

- Why?
 Decision makers are white
- Why?
- Opportunities for entertainment are culturally segregated

Why?

Black and white Madisonians don't interact

Why?

Segregation (race/ethnic/SES) at institutions e.g. UW, venues, etc.

• Why?

Professors/curriculum determined by people who are not a part of communities of color

roblem: Purception of Hip-top as violent A of colucation/understanding-Misinterpretation - superior foot according Lay Black twhite Madisonaus but what Deliberate media bias — Segregation at institutions - ethnicillus in amount Stories sold not told, adminute -> Members of media lack understanding of althre -> which offers how pola prese hy hop Ly reporters leditors are majority white Decision makers are majorly white pportunities for ent. are culturally segregated of institutions - ethnicities seg.
