

Recommendations from Family Child Care Subcommittee

The two motions below were passed by the Family Child Care Subcommittee unanimously at the May 14th meeting in regard to the 2019 budget:

First Priority: Motion by Brien, seconded by Lemberger to forward proposed recommendation to the full ECCEC to create an allocation for stabilization funds for family child care providers so that it would cover 40% of the requested funding. Motion passed by voice vote.

Notes:

- Current stabilization funding for centers covers approximately 42% of requested funds.
- See below for Stabilization Requests and Funding over time by Family and Centers.
- Based upon the 2016 funding request, 40% of requested funding would be approximately \$55,000.
