The following people, members of the Events Committee at Pope Farm Conservancy, wish to register their opposition to Housing Mix 3 on the parcel across the road from the conservancy.

Vina Yang

I oppose this plan strongly...This is totally going to destroy the environmental health for the neighborhood and township.

Anna Abbott

What a sad mess. Please add me and (husband) Wayne to the protest vote. We are Madison residents, even tho our mailing address is Verona.

Roberta Sonzogni

Add me to the protest.

Claire Wyhuske

Please add my name to the protest vote or any petition forthcoming.
