June 1, 2018

The first of three Plan Commission work sessions related to review of the Comprehensive Plan will be held on Thursday, June 7. Additional Plan Commission work sessions on the Comprehensive Plan are scheduled for Monday, June 11 and Wednesday, July 11.

At the June 7 work session, we'll review:

- Proposed changes to the **Comprehensive Plan** that have been provided by Alders, boards, committees, commissions, and members of the public. Planning Division staff has provided a response to each of these proposed changes and highlighted items (with a "Y" in the second to last column of the spreadsheet) for which Plan Commission discussion is requested. Please note any other items that you would like to discuss at the meeting.

- Proposed changes to the Comprehensive Plan's **Generalized Future Land Use Map** that have been provided by Alders, the Schenk-Atwood-Starkweather-Yahara (SASY) neighborhood and the public.

This packet also includes comments and proposed changes to the Plan that have been received more recently. Staff will prepare a response to these comments.
